Chain Of Deceit:

Chain of Deceit D.A. McIntosh,1999-01-01 It was fifty years ago when Captain Elmer Bronsly departed New York Harbor on his final voyage aboard the cargo ship MaryJean The events that lead up to the voyage and the trip itself may have changed the course of history He had a cargo of war supplies and three large crates marked Top Secret that was guarded by a squad of marines He received special orders to drop out of the convoy and to deliver one of the crates to a German U boat at a specific time and place on his North Atlantic route He was to ask no questions just follow orders The orders came from the War Department The other two crates and the rest of the cargo was to be delivered to England as planned But things went wrong very wrong Now fifty years later the events of that voyage are causing a ripple effect in the very fabric of the United States government Davin Pierce has been hired to research the mystery around the cargo ship MaryJean and why some of her cargo has turned up in a warehouse in New Orleans Teaming up with FBI agent Connie Young they embark on a adventure neither of them bargained for Meanwhile on the other side of the Atlantic Ocean a World War II Gato class submarine is discovered intact resting on the bottom of the ocean The discovery of the submarine causes a stir in the Pentagon and several high ranking officers start to worry that the sub will be salvaged Salvaging that submarine could link them to the black market and they can not let that happen The dilemma is to prevent its salvage but salvage operations had already begun Naval records showed she had disappeared in 1944 while on a covert mission In reality she never was lost just had a change in mission from wartime to black market She was in service running guns and other illegal material until she mysteriously disappeared while returning from a delivery to Nigeria Nigeria a once peaceful country was now being run by a ruthless dictator His terrorist activities have been linked to bombings all around the world The most recent being the near destruction of a U S Nuclear submarine And now he has acquired atomic technology and plans to use it Chain of Deceit is a hard hitting techno thriller of the highest caliber A complicated plot mixed with unforgettable characters lead us through a breathtaking race against overwhelming odds Running against a black market ring that is so deep in the United States government that its extent may never be truly known And they control the most powerful military forces in the world **The**

Supreme Court , The (In)Coherence of Divine Mercy Ian B. Turner,2024-10-02 How do texts of Scripture make sense or hold together as a unity This question is especially germane to the Masoretic Text of Hosea which is often seen as an unintegrated composition by some or an artful literary whole by others Such judgments often come without clear definitions and criteria for in coherence This book brings descriptive clarity to this issue through a discourse analysis of cohesion and coherence in Hosea 12 14 based on Systemic Functional Linguistics This study showcases the theme of divine mercy in Hosea 12 14 and gives readers tools for discourse linguistic analysis of the Hebrew Bible Through the Eyes of the Mufti Amīn Ḥusaynī,2009 Mufti Haj Amin al Husayni had no chance of prevailing against the well organized Zionist movement with

its international support The Palestinian Party that he headed after the First World War was split conflicted and rife with corruption In particular it was isolated with neighbouring Arab countries more concerned with their own problems In light of this state of affairs Haj Amin sought to enlist the help of the Arab and Muslim world in favor of the Palestinians How did he do this When appealing to the Arab world he utilized the myth that the Zionists intended to use the Land of Israel as a base from which they would seek to conquer all Arab countries when appealing to the Muslim world he said that the Jews wished to destroy the al Aqsa mosque and build their temple on its ruins Another of the Mufti s myths is the story of the ancient conspiracy recounting the plot of the British and the Jews to expel the Arabs from Palestine and award the consequently uninhabited land to the Jews Even though this plot was unsubstantiated at the time it became anchored in the consciousness of millions of local Palestinians who believed the Mufti s inventions and were alarmed by them This remains true to a great degree to this very day The book presents the Mufti s essays the literal source of those myths as well as notes and essays which reply to the ideas presented by Haj Amin Subject Middle East Studies Politics International Relations Psychology & Christianity Integration Daryl H.
