**The College Football Championship** Matt Doeden, 2015-08-01 In 2015 when Ohio State took on the University of Oregon in the first College Football Playoff championship game millions of sports fans tuned in But back in 1869 when Rutgers University and Princeton University played the first ever college football game no one predicted the national spectacle that a college football championship game would become Author Matt Doeden takes readers on a journey from the disorganized games of the early years to the most recent playoffs to determine the best college team in the nation Along the way discover some of the most incredible moments games blunders and statistics in the history of college football championships

**Bruin 100** Scott Howard-Cooper, 1998-10-01 UCLA basketball is history as much as tradition From the early days when the lack of reasonable travel options forced the Bruins to play local high school teams to the World War II years against the studio teams from Hollywood to the almost surreal success during the 1960s and 70s to beyond Jackie Robinson played basketball at UCLA So did Rafer Johnson They were part of the era when the Bruins often struggled for wins strange as that would come to sound for a program that would one day have 88 of them in a row Lew Alcindor came from the East to dominate Bill Walton from the West to maintain the greatness John Wooden from the heartland of Indiana to lead them both and to lead them all The Bruin 100 recounts in order of importance to the sport and the programs how Wooden nearly didn't come to UCLA and the moment when Alcindor was glad he did It chronicles the guard who later won the Nobel Peace Prize the forward who helped save a life in the afternoon and a team later that night the center who wasn't a superstar but played like it to keep the dynasty alive It brings back the people and the moments the most storied games in the most successful of programs The national championships the loss to Houston in what has been called the Game of the Century The record winning streak the loss to North Carolina State in the Final Four that still pains The coast to coast run by Tyus Edney against Missouri the even more improbable run by Larry Brown's underdog team to reach the title game Relive the tradition some parts of which are not even detailed in the record books through photos and anecdotes and the foreword by Kareem Abdul Jabbar Or live it for the first time
