Herskovits, 2013-11-05 Focussing on the problems of change and resistance to change that mark the African sub continent this book examines Africa s place in the world from earliest times It considers the nature of its peoples in their prehistoric development the ways in which their cultures were oriented and the ways in which these cultures guided their reactions to European ideas It also assesses the human responses to industrial technological and economic changes and the re discovery by the Africans of African culture Originally published in 1962 Chebika. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
