Changing Face Of China:

The Changing Face of China John Gittings, 2006-07-06 Where is China heading in the 21st century Can its Communist Party survive or is it being challenged by growing inequality and unrest Will the US and China cooperate or compete in a dangerous future Will China's economic boom be brought to a halt by environmental catastrophe In this highly readable account John Gittings provides the essential information to help answer these vital questions for the world In the 60 years since Mao Zedong took the road to victory China has undergone not one but two revolutions The first swept away the old corrupt society and sought to build a spotless new socialism behind closed doors the second since Mao's death has focused on an economic agenda which accepts the goals of global capitalism From Mao to the global market Gittings charts this complex but epic tale and concludes with some hard questions for the future *China*, 2002 Designed for the National Curriculum Key Stage 2 for Geography this illustrated text looks at how China is changing to face the challenges of the 21st century

Face of Electoral Politics in Sri Lanka, 1994-2004 Laksiri Jayasuriya,2005 Sri Lanka has been through turbulent times
overcome by a devastating civil war yet able to sustain a system of parliamentary government This study recounts a critical
decade of electoral politics in Sri Lanka from 1994 to 2004 situated in the context of a militant ethnic conflict that includes
four General Elections and a Presidential election The new politics of Sri Lanka evident in this decade is marked by a party
system that is increasingly fractured a politics increasingly divided over symbolic cultural issues and the tension inherent in a
mixed executive system The coalitional dynamics of this new politics represents a decisive break with the welfarist politics of
the post independence period evolved within the Westminster system a legacy of the colonial past In a Postscript Jayasuriya
examines the politics of tsunami as it impacts on the critical fault lines of Sri Lankan politics in the North East and South as
well as the neo geopolitics This volume will be essential to anyone interested in Sri Lanka s unique experience as a third
world country with democratic political processes and instruments for over five decades **China Changes Face** John
