*Discipleship* Charles R. Swindoll, 1990-07      **Discipleship** Charles R. Swindoll, 1990      **One-on-one Discipleship** Charles R. Swindoll, Gary Matlack, Jason Shepherd, Lee Minis Hough, 1999      Transforming Discipleship Greg Ogden, 2016-10-02 Greg Ogden recovers Jesus method of accomplishing life change by investing in just a few people at a time In this revised and updated edition Ogden sets forth his vision for transforming both the individual disciple and discipleship itself showing how discipleship can become a self replicating process with ongoing impact from generation to generation

**The strong family** Charles R. Swindoll, 1997      **Discipleship on Fire** Scott Thom, 2015-07-22 When the New Testament Church started it grew rapidly but there were no churches Disciples met in homes yet Christianity exploded all around the world How did the apostles do it They built people not buildings They poured themselves into others who in turn mentored even more It was a strong solid church that withstood persecution and hardships This book is a step by step Biblical system to disciple anyone If you are a parent teacher coach or especially a leader in the church you will find this book a continual reference You can recapture the essence of how Jesus trained for success The apostle Paul said Follow me as I follow Christ It is a simple principle but if followed it will set your world on fire      **Origination of Something**

**Glorious** Charles R. Swindoll, 1995 In this first of a four volume study on Luke s gospel you ll meet the God of the Universe who came in human flesh healing the sick comforting the hurting guiding those who are without direction and touching the untouchable      **Making Disciples** Sylvia Wilkey Collinson, 2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community      **The Declaration of Something Mysterious** Charles R. Swindoll, 1995-07-14 This Bible study guide looks at the teachings of Jesus recorded in Luke centering on those stories about simple things that led his hearers into

the deepest mysteries of God mysteries explaining the splendor of His kingdom and how we may enter in **Josh McDowell's Youth Ministry Handbook**, 2000 Drawing on the wisdom of insightful leaders around the country Josh McDowell's Youth Ministry Handbook equips youth workers to help teens connect with God their parents peers and a world in need of Christ Featuring articles from Dawson McAllister Tony Campolo Barry St Clair and others this invaluable leadership resource provides practical useful ideas for today's youth workers *Discipleship in a Post-Christian Age* Thiago Silva, 2025-05-20 This is an age where Christianity is no longer the assumed foundation of culture Instead secularism relativism and individualism shape how people think live and even approach faith Many within the church have unknowingly embraced a shallow self focused spirituality that offers comfort without transformation How can the church recover a robust life giving vision of discipleship in such a world With a little help from C S Lewis this book offers a way forward Lewis's insights rooted in reason imagination and community speak powerfully to this modern crisis equipping believers to engage both mind and heart Through cultural analysis and biblical wisdom this book calls the church to rediscover discipleship as an intellectual imaginative and relational pursuit one that forms resilient thoughtful and deeply rooted followers of Christ Whether picked up by a pastor church leader or everyday disciple longing for deeper faith this book will challenge and inspire readers to cultivate a Christianity that is not only true but beautiful and compelling in an increasingly post Christian world Words on Cassette, 2002 R R Bowker Publishing, 2002 **Discipleship** Billie Hanks, William A. Shell, 1993

*Discipleship that Fits* Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context *Discipleship That Fits* shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and
