Price, Parenting Resource Group, 1983      *Change Your Life and Everyone In It* Michele Weiner Davis, 1996-05 From the bestselling author of *Divorce Busting* comes a powerful blueprint for creating immediate dramatic and lasting changes in every aspect of your life If you re tired of being told why you have problems instead of what you can do about them if you re tired of examining your feelings and are ready for action then Michele Weiner Davis has good news for you Whether you re attempting to improve a difficult relationship struggling to overcome depression trying to establish a better relationship with your kids or coping with a stressful work environment *Change Your Life and Everyone In It* is filled with inspiring examples of people who have made real and enduring changes in their lives Focusing on the simple actions that make change possible Weiner Davis offers a step by step no nonsense program for discovering and implementing practical solutions to seemingly insurmountable problems      *Solving Discipline Problems* Charles H. Wolfgang, 1995 Presenting the widest variety of techniques for helping with difficult children and the host of discipline incidents that can arise in the K 12 classroom this book will be invaluable to teachers It is different from other classroom management books in that it focuses on the various models and techniques to apply to those models      **The Power Principle** Blaine Lee, 1998-06-04 A founding vice president of the respected Covey Leadership Center reveals the ten principles of power and explains how to win it and wield it with honor and integrity *The Power Principle* provides a new standard for how we can build more meaningful relationships John Gray author of *Men Are from Mars Women Are from Venus* [Diagrams](#)      [X-Plan Parenting](#) Bert Fulks, 2019-06-11 Winner of the Gold Medal for Best Christian Family and Parenting Book of 2020 by the Illumination Book Awards The creator of the viral parenting concept the X Plan illuminates the importance of awakening your child s unique strength while also taking an introspective look at your own life story to become a better parent Last year father and former teacher Bert Fulks s simple parenting idea went viral if your teenagers find themselves in a situation where they feel uncomfortable or trapped they can text a family member an X That family member will then call giving the teen a way out while still maintaining their freedom and no questions will be asked Now in *X Plan Parenting* Fulks expands on the how and the why behind his plan emphasizing the importance of developing trusting relationships with our kids Drawing on biblical principles Fulks s approach illuminates how even though we want the very best for our children we sometimes parent from a place of brokenness and a desire for control rather than support and encouragement We focus on our mistakes and painful growing up moments and the things we wish we d had when we were kids instead of what s best for our own children right now This dynamic can pit kids against their parents and create rifts in the relationship Fulks advocates for an alliance between children and parents instead of an us vs them mentality Rather than spending so much time coaxing or battling our kids Fulks inspires us to work with our kids instead of against them And rather than trying to right our own past wrongs vicariously through our children he urges us to recognize where we need healing so we can

provide authentic strength to support our kids unique journeys There is a tender art to disciplining our kids and X Plan Parenting serves up laughter and tears hard questions and plenty of grace to moms and dads who want their kids to love God and lead passionate joyful lives in an unpredictable world
