Adolescence, Risk and Resilience John Coleman, Ann Hagell, 2007-12-17 Adolescence is often portrayed as an age of particular risk Adolescents are not only considered a risk to themselves but also to the rest of society As a society we are nervous of them and consider them vulnerable yet the seeds of successful and independent adult life are laid down in adolescence and they need all the help and support that they can get at a challenging time Adolescents at Risk Against the Odds looks in depth at some of the key risks faced by adolescents and at some of the ways in which they can be alleviated The book is structured according to the operational challenges the research informs

Young People in the Labour Market Andy Furlong, John Goodwin, Henrietta O'Connor, Sarah Hadfield, Stuart Hall, Kevin Lowden, Réka Plugor, 2017-10-12 Levels of suffering among young people have always been much higher than governments suggest Indeed policies aimed at young workers have often been framed in ways that help secure conformity to a new employment landscape in which traditional securities have been progressively removed Increasingly punitive welfare regimes have resulted in new hardships especially among young women and those living in depressed labour markets Framed by the ideas of Norbert Elias Young People in the Labour Market challenges the idea that changing economic landscapes have given birth to a Precariat and argues that labour insecurity is more deep rooted and complex than others have suggested Focusing on young people and the ways in which their working lives have changed between the 1980s recession and the Great Recession of 2008 2009 and its immediate aftermath the book begins by drawing attention to trends already emerging in the preceding two decades Drawing on data originally collected during the 1980s recession and comparing it to contemporary data drawn from the UK Household Longitudinal Study the book explores the ways in which young people have adjusted to the changes arguing that life satisfaction and optimism are linked to labour market conditions A timely volume this book will be of interest to undergraduate and postgraduate students

as well as postdoctoral researchers who are interested in fields such as Sociology Social Policy Management and Youth Studies

Labour Markets and Identity on the Post-Industrial Assembly Line Dr Anthony Lloyd, 2013-06-28 As a product of its time the call centre utilises new developments in telecommunications and information technology to offer cost efficient delivery systems for customer care Efficiency productivity and flexibility are all embodiments of neoliberal market capitalism and are all personified in the call centre operation as well as the structure of the labour market in general Thus the individual and the workplace are embedded in a variety of global processes In order to frame the context in which call centre operations exist today and their employees mainly young men and women negotiate the increasingly risky and individualised task of developing an identity or sense of belonging in the world *Labour Markets and Identity on the Post Industrial Assembly Line* sets out the economic social and political changes over the last three decades that have restructured the labour market altered the balance between labour management and the state and unleashed global market capitalism upon previously sheltered areas of the economy and social life in both Britain and elsewhere This ground breaking book offers one of the first real qualitative sociological investigations of a relatively new form of employment to see what life is like on the post industrial assembly line whilst also taking a close look at the nature of class identity and subjectivity in relation to young people coming of age in a world dramatically altered over the last three decades
