

4.9 Discourse as process

- Ethnomethodologist (who concern on CA) depicts conversation as discourse constructed and negotiated between the participants, marking the turn taking in various ways (pauses, laughter, intonation, etc). It enables the participant to orientate what is happening, and rapidly make sense of interaction.
- For discourse analyst, CA provides another way of accounting for sequences of utterances, though one apparently limited to discourse which is the mutual construction of more than one person
- For the language teacher CA provides powerful clues concerning the causes of sensation of floundering in conversation to which we referred earlier.
