Roberts,2015-07-22 Did the American continent exist before Columbus discovered it Yes Did electricity exist before mankind learned how to utilize it Of course Has every truth to be discovered been discovered No Is it possible that religious beliefs in the world today are incorrect Yes There are truths in God s universe that are now existing and have always existed but man as yet has no knowledge of them So how does a person distinguish truth from error Joseph Smith defined truth in this way Truth is knowledge of things as they are and as they were and as they are to come As a prophet of God who received revelation Joseph Smith acting in the capacity of a teacher taught the saints the truth of all things clarifying misconceptions and false truths For example against the sectarian dogma of the cessation of revelation Joseph Smith proclaimed the reopening of the heavens Against the doctrine that angels would no more visit the earth he asserted the visitation of angels to him revealing the existence of the Book of Mormon a new volume of Scripture This book JOSEPH SMITH THE PROPHET TEACHER is a collection of truths taught by the prophet during his life These topics include clarification on revelation heaven and hell our relationship with God the nature of God man s origin eternal punishment and the existence of good and evil among many other topics It may be asked What historical American of the nineteenth century has exerted the most powerful influence upon the destinies of his countrymen And it is by no means impossible that the answer to that interrogatory may be thus written Joseph Smith the Mormon Prophet *Joseph Smith the Prophet-teacher* Brigham Henry Roberts,1908 *Joseph Smith the Prophet-Teacher a Discourse* Elder B H Roberts,2023-07-18 Elder B H Roberts discourse on Joseph Smith provides readers with a detailed analysis of the life and teachings of the founder of the Church of Jesus Christ of Latter day Saints This inspiring book offers a unique perspective on Smith s remarkable life and the impact he had on countless individuals around the world This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *JOSEPH SMITH THE PROPHET-TEACHER* B. H. ROBERTS, This book includes a biographical sketch of the author Did the American continent exist before Columbus discovered it Yes Did electricity exist before mankind learned how to utilize it Of course Has every truth to be discovered been discovered No Is it possible that religious beliefs in the world today are incorrect Yes There

are truths in God's universe that are now existing and have always existed but man as yet has no knowledge of them So how does a person distinguish truth from error Joseph Smith defined truth in this way Truth is knowledge of things as they are and as they were and as they are to come As a prophet of God who received revelation Joseph Smith acting in the capacity of a teacher taught the saints the truth of all things clarifying misconceptions and false truths For example against the sectarian dogma of the cessation of revelation Joseph Smith proclaimed the reopening of the heavens Against the doctrine that angels would no more visit the earth he asserted the visitation of angels to him revealing the existence of the Book of Mormon a new volume of Scripture This book JOSEPH SMITH THE PROPHET TEACHER is a collection of truths taught by the prophet during his life These topics include clarification on revelation heaven and hell our relationship with God the nature of God man's origin eternal punishment and the existence of good and evil among many other topics It may be asked What historical American of the nineteenth century has exerted the most powerful influence upon the destinies of his countrymen And it is by no means impossible that the answer to that interrogatory may be thus written Joseph Smith the Mormon Prophet Joseph Smith the Prophet-Teacher Brigham Henry Roberts, 2014-01-08 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Joseph Smith The Prophet teacher A Discourse Brigham Henry Roberts Deseret News 1908 Mormon Church Mormons **Joseph Smith** Elder B. Joseph Smith the Prophet-teacher Brigham Henry Roberts, 1908 **Discourses of Brigham Young** Brigham Young, 2020-09-28 BRIGHAM YOUNG second President of the Church of Jesus Christ of Latter day Saints and first Governor of Utah was the founder and chief builder of the Great Intermountain West of the United States of America He is recognized as one of the foremost colonizers and empire builders of all time His unsurpassed methods of conquering for human use the Great American Desert have been adopted to some degree by all who since his day have been engaged in the reclamation and settlement of unoccupied lands especially under a low rainfall Statesmen scholars and business men have acclaimed the leadership organizing power and sound philosophy which brought social and economic happiness to the people who were led into the wilderness by Brigham Young He not only brought contentment to the people gathered from many lands but he guided the Church over which he presided until at his death it was larger in numbers and more firmly established than ever before The tremendous world significance of the labors of Brigham Young and the universal applicability of his methods under modern conditions make it certain that the work he accomplished was not due primarily to the gigantic personality of the man Rather the success achieved must have been due to the possession of a life philosophy of sufficient depth and extent to meet varying human needs Another man of less dominant personality armed with the same principles would have won success As he himself would say it was the possession of the Gospel of Life and Salvation that enabled him and his associates to do the work so well In fact Brigham Young was first a spiritual teacher and secondly a material leader The religion that he professed made him the man that he became its principles were used in guiding the people in all their affairs Books enough to fill a library have been written about the history character and accomplishments of Brigham Young Few of these books attempt to analyze the system of doctrine and practice that brought unbounded success to the Latter day Saints Many display such extreme religious partisanship that even the sympathetic reader can place no reliance upon their statements Something harsher might be said about the large number of books written about Brigham Young and his times that manifestly aim to secure popularity by appealing to the sensational and the lurid at the expense of truth Even recently when the years have given perspective some writers have set up hypotheses concerning Brigham Young and have proceeded to argue the case as if that were history It is amazing that intelligent people knowing the high order of accomplishments of the Latter day Saints give credence to the weird and crude stories appealing to the baser emotions of mankind which fill the pages of anti Mormon literature In this book Brigham Young is allowed to speak for himself Excerpts have been made from his many discourses and these have been arranged to show the coherent system of faith which he continuously taught his people and by which he was enabled to win success for his followers The philosophy thus set forth is clear and unmistakable in its purpose It reveals Brigham Young as a man who applied the simple principles of the Gospel of Jesus Christ to the everyday affairs of men and who proved the efficacy in common life among common men of the Gospel of the Son of God This book was made possible because Brigham Young secured stenographic reports of his addresses As he traveled among the people reporters

accompanied him All that he said was recorded Practically all of these discourses from December 16 1851 to August 19 1877 were published in the Journal of Discourses which was widely distributed The public utterances of few great historical figures have been so faithfully and fully preserved Clearly this mass of material covering nearly thirty years of incessant public speaking could not be presented with any hope of serving the general reader save in the form of selections of essential doctrines The discourses from which this volume has been culled were spoken extemporaneously The state papers of Governor Brigham Young and the epistles signed by him and his counselors in the Presidency of the Church have not been used in this collection The excerpts here presented came from his lips under the inspiration at the moment of the Power that guided his life The corrections for the printer as shown by existing manuscripts were few and of minor consequence The discourses are a remarkable self revelation of the character and moving impulses of a man who accomplished huge tasks for his generation It is marvelous that the enemies of Brigham Young with this wealth of material before them have found so little to use to his disadvantage But a dishonest or insincere man would not have had his public utterances reported and published all over the world The consistency of the views presented from the first to the last discourse would be astounding were it not for the fact that he clung constantly for interpretation to the Gospel of Jesus Christ as he had been taught it by the Prophet Joseph Smith His devotion to his teacher and predecessor the Prophet is tenderly beautiful The school education of Brigham Young was very limited but his discourses show a wide knowledge of men and affairs and an excellent power to use the English language clearly and forcefully Often his simple eloquence rises to great heights Those who heard him speak have declared that they were held in tense attention however long the address might be His vivid imagination dramatic power and unquestioned sincerity made him a natural orator He seldom confined himself to one subject in his discourses The needs of the day were the themes about which he wound his teachings *Joseph Smith* Susan Easton Black, Charles D. Tate, 1993 Joseph Smith the Prophet-Teacher B. H. Roberts, 2021-08-18 Joseph Smith the Prophet Teacher A Discourse a classic since it was first published Has been considered important throughout the human history and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies and hence the text is clear and readable **Joseph Smith the Prophet-Teacher** Legacy LDS Audiobook Foundation, 2017-09-23 A discourse given by Elder B H Roberts given at the tabernacle in Salt Lake City on Sunday December 22 1907 at a memorial service in honor of the one hundred and second anniversary of Joseph Smith s birth This powerful discourse treats not the events of Joseph s life but his fulfillment of the role of master teacher His correction of sectarian doctrine doctrinal teachings and role as prophet of the restoration are all examined and reinforced leaving the reader with an even greater testimony of the seer chosen to restore Christ s church in the latter days **A Little Known Discourse by the Mormon Prophet Joseph Smith** Joseph Smith (Jr.), 19?? **Sermons of Joseph Smith** Mormon / Lds

Audiobook Foundation, Joseph Smith, 2018-05-31 On April 7 1844 Joseph Smith gave a sermon in Nauvoo Illinois at a general conference of the Church In attendance were nearly 20 000 Church members A few weeks earlier on March 9 a Church member and close friend of Joseph named King Follett was killed in an accident This well known event in Nauvoo led Joseph Smith to comment specifically on Follett s death and to address what Joseph called the subject of the dead For this reason Joseph s sermon has often been referred to as the King Follett sermon or discourse The King Follett discourse is recorded along with two other sermons given by Joseph Smith in the Journal of Discourses Each of the three discourses have been compiled together to form the present work and additional commentary and insights have been added so that the modern reader may better understand the principles taught therein and thus feel an increase in their faith *Joseph Smith the Prophet-Teacher* B H 1857-1933 Roberts, 2015-08-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
