## **Changers Moon:**

*Changer's Moon* Jo Clayton, 2016-08-09 Warrior woman Sorrei hires mercenaries from another world to halt the destruction of her own in the riveting conclusion to the Duel of Sorcery Trilogy A superior fantasist on par with Jane Yolen Marion Zimmer Bradley Andre Norton and other acknowledged masters of speculative fiction the accomplished world builder Jo Clayton concludes her magnificent Duel of Sorcery fantasy trilogy by turning expectations around and taking her classic sword and sorcery tale into breathtaking new territory As a magical contest between a sorcerer and a goddess races toward its terrible conclusion a world is left hanging in the balance But suddenly the rules change Once the meie warrior Sorrei was a helpless pawn of Ser Noris doing the dark wizard s bidding as he delved into unnatural worlds and demonic arts No one feared the great sorcerer more than she which is why Sorrei risked her life to bring Coyote the Changer into the game However now that the Nor mage has drawn the magical cards that give him the upper hand against the Indweller goddess the world they have been playing for appears irrevocably his But hope lives on in another place and time A world far removed from Sorrei s own in an alternate realm shackled by the yoke of cruel political repression yet where the ignited fires of rebellion burn hot and bright is where the meie must now turn for help Sorrei cannot falter for the warrior has become a priestess in the service of the Changer and in her hands she holds the last hope for the continuation of all things In the astonishing finale to her monumental trilogy the great Clayton ingeniously reinvents sword and sorcery high fantasy Concluding a magnificent epic tale of courage magic doom and destiny with a grand flourish she takes enormous risks and succeeds magnificently making the remarkable final chapter of the Duel of Sorcery something truly magical indeed
