Changing Visions:

Translating Knowledge Management Visions into Strategies Monique Ceruti, Angel Williams, Denise Bedford, 2019-11-28

There is a critical point of failure for every knowledge management effort when the strategy is isolated from the organization and when there is no vision anchoring the strategy This book guides professionals in learning to create a foundation for 21st century knowledge organizations

Corporate Vision and Rapid Technological Change Jas Gill, Peter Swann, 2002-03-11 This book examines the role of strategic visions of future technological development in the evolution of market structure This perspective offers a novel way of resolving some of the puzzles that have arisen in understanding the effects of rapid technology change and market structure Strategic visions are seen to play a central role in corporate strategy and industrial policy The authors develop some theoretical tools to study these questions and present 5 case studies of high technology industries with conclusions for policy The book will be of interest to industrial economists concerned with the effects of rapid technological change and to those interested in technology management It will also be of interest to economists and others working in high technology industries and in government

Vision and Change in Institutional Entrepreneurship Israel Drori, Dana Landau, 2011-03-01 Sheltered for a long time within the public sector environment with high job security and professional research autonomy defense R D organizations faced unprecedented challenges when government support was being withdrawn and closure threatening They needed to be led by a suitable vision in order to implement comprehensive changes to their operations and remain viable This study explores this constitution of vision as a mechanism of intentional change a strategic tool to reach the desired future for the organization Going beyond the current literature the authors ask to what extent and how organizational members reconstruct vision in a way that it can support or detain change a question of importance for management scholars as well as professional managers in both public and private organizations

Organizational Change Gene Deszca, Cynthia Ingols, Tupper F. Cawsey, 2019-09-10 Show managers of all stripes how to be key change leaders In today's world organizational resilience adaptability and agility gain new prominence Awaken mobilize accelerate and institutionalize change with Organizational Change An Action Oriented Toolkit Bridging theory with practice this new edition uses models examples and exercises to help students engage others in the change process Authors Gene Deszca Cynthia Ingols and Tupper F Cawsey provide tools for implementing measuring and monitoring sustainable change initiatives and helping organizations achieve their objectives The Fourth Edition includes new critical thinking exercises cases checklists and examples as well as updated coverage of key topics such as social media power dynamics decision testing storytelling and control systems

Change Leadership in Developing Countries Franca Ovadje, 2014-04-16 Selected as an Outstanding Academic Title by Choice Magazine in 2014 In Change Leadership for Developing Countries Franca Ovadje offers readers a comprehensive and integrative model for the design implementation and evaluation of organizational change This unique book embodies an African perspective discussing the specific needs and

issues associated with leading change within the institutional economic social and cultural contexts of developing economies Based on extensive research as well as the first hand experiences of managers who have led change initiatives in Africa this book envisions a change leadership model based on conscious decision making rather than taking a prescriptive approach With examples and case studies drawn from African organizations this book is a vital tool for students and managers who are based in or interact with emerging economies
