Changing Picture Bible Stories:

Changing Picture Bible Stories Tim Dowley, 2006 *Changing Picture Bible Stories*, 2008 **Whose Story? Translating the Verbal and the Visual in Literature for Young Readers** Riitta Oittinen, 2009-03-26 This book is based on the discussions carried out in two seminars on the translation of children's literature coordinated by Maria Gonzalez Davies and led by Riitta Oittinen. The main focus finally revolved around four questions: a) Tackling the challenges posed by translating children's literature both picturebooks and books with illustrations and the range of strategies available to solve specific issues; b) the special characteristics involved in reading aloud its emotional dimension and the sphere it occupies between private and public reading; c) the interpretation and manipulation of child images; and d) the role of the translator, publishers and mediators as active or passive agents whose decisions may finally mirror the images projected by the authors of the source books. This volume is also professionally oriented and presents examples that underline the interaction between theory and practice. The topics range from Bible translation to translating the classics such as Beatrix Potter's tales and fairytales, fantasy worlds for young adults as depicted in Tolkien's *The Lord of the Rings* or novels such as those by Christine Nostlinger as well as stories with a psychological and social function such as the African war tales. Finally, it includes didactic applications that help enhance an awareness of the issues involved. **Canadian Moving Picture Digest**, 1924

Pypers, 2012-07-16 Children's Bibles are often the first encounter people have with the Bible, shaping their perceptions of its stories and characters at an early age. The material under discussion in this book not only includes traditional children's Bibles but also more recent phenomena such as manga Bibles and animated films for children. The book highlights the complex and even tense relationship between text and image in these Bibles, which is discussed from different angles in the essays. Their shared focus is on the representation of others: foreigners, enemies, women, even children themselves in predominantly Hebrew Bible stories. The contributors are Tim Beal, Ruth B. Bottigheimer, Melody Briggs, Rubin R. Dupertuis, Emma England, J. Cheryl Exum, Danna Nolan Fewell, David M. Gunn, Laurel Koepf, Archie Chi Chung Lee, Jeremy Punt, Hugh S. Pypers, Cynthia M.
