Discovering Jesus in the Gospels Ron Jones, 2013-10 Many people today know the name of Jesus but personally know little about him except for what they have heard in the media or by others In his book *Discovering Jesus in the Gospels* Ron Jones provides a way for them to read what the four gospels of the Bible specifically record about Jesus Christ Each chapter explains an aspect of the life and claims of Christ by quoting passages directly from the Gospels All passages are referenced so the reader can look them up in the Bible The passages are introduced by some brief commentary to help the reader understand them This is meant to be a simple and straight forward presentation of the testimony of the four gospels to the true identity of Jesus

Jesus Is There Carl Dodrill, 2023-04-13 Where was Jesus and what was he doing during the many centuries of Old Testament history If Jesus had personal contact with people only after being born in Bethlehem where was he for the hundreds of years while the Jewish people lived their lives suffered and struggled and were in need of direction and support If he really cares for people is it rational to believe that during that time he was not engaged at all in human history Using a

fresh and little explored empirically based approach and resources including the Septuagint three keys are found which in the New Testament reliably distinguish the person and work of Christ from that of God the Father Guidelines for the use of the keys are established and these guidelines are then applied to 25 selected passages in the Old Testament where the divine is definitely at work When this is done the results clearly show that Jesus Is There at work in the Old Testament and doing far more with people than most of us ever thought You are invited to examine these in depth studies with the prospect that you may arrive at a truly broadened understanding of Jesus Christ

Across the Threshold, Into the Questions Caren Goldman, Ted Voorhees, 2008-10-01 Offers reflections on how the words of a first century Jew can offer meaning hope and wholeness to readers today Across the Threshold into the Questions includes new encounters with Jesus and his parables and teachings from the Gospel stories in Mark Matthew and Luke This volume continues to build the strong foundation needed for another volume that uses Goldman and William Dols method to explore the non canonical Gospel of Thomas *Hidden in His Own Story* Andrew Walton, 2016-11-22 Hidden in His Own Story is an invitation to reconsider and re imagine both the humanity and divinity of Jesus It is an invitation to people who are not familiar with the Bible stories and have only heard them through other sources also to many who have rejected traditional interpretations of the stories as religious dogma and to many people who are so steeped in the stories that they have become cliché Even the most clever storyteller or writer of fiction can never totally disguise or deny their personal influence on the story And most of us have had the experience of someone beginning a story with I know a person who when in fact that person is the one telling the story Why not imagine the same when Jesus says Once there was a man Discover Jesus, 2000 Discover Jesus, 2000 Discovering Jesus Ronnie L. Worsham, 2016-03-12 Discovering Jesus is a self study or group study workbook leading the reader through a brief study of the overall Bible context zeroing in on who Jesus is and what it means to have a relationship with him There are few if any workbooks just like this on the market In its thirteen chapter the workbook covers the design of the Bible Biblical inspiration the story of the Bible understanding Jesus as Lord and Savior how to become a Christian how to live as a Christian living by the Holy Spirit and living in the Christian church community The workbook is designed to stimulate logical open minded thinking about scripture rather than simply teaching hard doctrinal conclusions It is designed to reach new students of Christ and the Bible as well as to challenge those with much more knowledge and experience **Discover Jesus**, 2000 **Discovering Jesus** Daniel T. Rogers, 2024-10-25 More than twenty five years ago author Daniel Rogers walked through a dark night of his soul as he and his wife learned some devastating news In the midst of that news he knew he needed to find the gospel And he found comfort within the rich stories of the Gospel of Mark loving its brevity clarity and swift moving action In Discovering Jesus Rogers walks through the Gospel of Mark introducing the incomparable Christ and the choice Christians have in him He talks about who Jesus is and what he came to do Through scripture and Bible stories Rogers helps you discover Jesus and come face to face with the King of kings Rogers communicates the message that in light

of all eternity all good news begins with Christ and apart from him there is no good news This means you don't have to look any further than Christ for satisfaction and purpose in life *Discovering Jesus* Hermie Reynolds,2014-08 Jesus walked on the earth over two thousand years ago We read about Him in the Bible His story made it around the world and into the movie theaters Who is this man *Discovering Jesus* will take you on a journey from the Old Testament to the birth of Jesus His ministry on earth and His death on the cross Yet it did not end there He rose again and appeared to many until He ascended into heaven One day He will return as Bridegroom King Our hearts search in many places for love and acceptance but will only come to rest in knowing the One who took our place on the cross There can be no greater love than when someone is willing to give their life for another The sacrificial love of Jesus cost Him His life He is worth spending the time to find out who He was and is and why He paid such a great price for you and me The book is written in an easy to read style with Bible stories Scriptures and examples of how God worked in the lives of Hermie and her family in order to draw them closer to Jesus Ideal for individual use or small groups each chapter has discussion questions and Scripture references that make it possible to go deeper into the Bible to help you grow in your relationship with Jesus *Discovering Jesus in Our Place* Sturla J.
