William O. Fisher

Cases In Corporate Governance:

Cases in Corporate Governance Robert Wearing, 2005-05-03 Wearing has written a superb and highly provocative book that does an excellent job of introducing students to theories of corporate governance and exposing complex fact situations in a clear and well written manner The International Journal of Accounting With in depth analysis of nine different cases several of which have influenced the codes and regulations of corporate behaviour in the UK and America this book explores the relationship between governance practice and theory Each case gives readers the scope to analyze a typical situation its outcomes who the main actors were and how they behaved The book underlines that there are sometimes conflicting views as to what good governance is It will help students clarify their own ideas about why governance fails and what the possible solutions are Helpful features include Sound and complete coverage of related theory Chapter introductions A concluding chapter that draws together key strands of thinking Discussion questions This book will be of interest to higher level undergraduates and MSc MBA students taking courses in corporate governance or related subjects *International Cases of Corporate Governance* Jean Jinghan Chen, 2022-09-14 This book provides insights into current issues in corporate governance by examining twelve cases from the 2010s and 2020s where corporate governance was seen to be an issue The cases are designed to introduce the reader to real life episodes with corporate governance implications shedding light on why corporate scandals continue to occur to what extent these are a corporate governance failure and in which ways corporate governance and the behaviour of those involved in ensuring good governance and an ethical culture in their business may be improved in the future This book will be of interest to businesspeople students of business and lawyers and motivate discussion on the reasons why corporate governance failed or was seen to be inadequate *CASES IN CORPORATE GOVERNANCE AND BUSINESS ETHICS*. COLETTE. MCBRIDE KIRWAN (HUGH. O'RIORDAN, CHRIS.), 2018

Cases on Uncovering Corporate Governance Challenges in Asian Markets Hasan, Rashedul, 2023-12-07 Corporate governance challenges in Asian markets have led to high profile scandals and negative consequences for stakeholders driven by weak governance structures transparency deficiencies and insufficient accountability These issues are compounded by cultural and societal influences emphasizing the need for a comprehensive understanding of the underlying factors at play Cases on Uncovering Corporate Governance Challenges in Asian Markets offers a compelling solution to address these pressing issues Through a thorough analysis of prominent corporate scandals in Asia the book investigates their origins effects and cultural influences that have contributed to their escalation By scrutinizing these cases the book provides actionable recommendations to enhance corporate governance practices promoting transparency accountability and ethical conduct within companies It serves as an indispensable resource for academic scholars researchers practitioners policymakers and students seeking insights into corporate governance in Asia With its comprehensive understanding of governance failures and practical recommendations Cases on Uncovering Corporate Governance Challenges in Asian

Markets catalyzes positive change in the business landscape of Asian markets *Corporate Governance* William O. Fisher,2017 Softbound New softbound print book **CORPORATE GOVERNANCE** J. ROBERT BROWN (JR.),2024

Cases and Materials on Company Law Andrew Hicks,S.H. Goo,2008-01-17 *Cases and Materials on Company Law* guides students through the complexities of company law with a broad selection of source materials that are placed in context through clear commentary It covers all the principal areas of company law including the issue of securities and insolvency The book concentrates on how the law facilitates and regulates the operation of companies both large and small reflecting the realities of current practice To help students understand the significance of the material presented each section is preceded by a concise introduction Similarly each case is preceded by a statement of its legal significance and a summary of the main facts The book has been fully revised to incorporate the groundbreaking changes to domestic company law as a result of the Companies Act 2006 The new edition has been made easier to navigate as a result of a new two colour text design that clearly differentiates extracted material from the authors commentary *New Living Cases on Corporate Governance* Martin Hilb,2021 This unique open access book features a selection of Living Cases on Corporate Governance which were developed and compiled by chairpersons members of the board of directors and CEOs in various countries working in close collaboration with prominent researchers Each Living Case addresses a current issue that a given company or institution needs to resolve For every Case the goal is formulated by the researcher in consultation with the client The participants of internal or external board seminars or university students then work in teams to analyze the problem develop an innovative and feasible solution and summarize the most important lessons learned *Corporate Finance and Governance* Lawrence E. Mitchell, Lawrence A. Cunningham, Lewis D. Solomon,1996 The recession of the early 1990s has highlighted new corporate law problems caused in part by the recent popularity of junk bonds and leveraged buyouts This volume examines these problems both in the context of traditional corporate law and financial analysis and by incorporating much of the new legal thinking on the nature and structure of the corporation It also provides analysis of the current structure of corporate governance and suggestions for reform Annotation copyright by Book News Inc Portland OR

Casey,2012 **Accounting and Financial System**

Reform in a Transition Economy: A Case Study of Russia Robert W. McGee, Galina G. Preobragenskaya, 2006-06-18 Much has been written about the economic and political problems of countries that are in the process of changing from centrally planned systems to market systems. Most studies have focused on the economic, legal, political, and sociological problems these economies have had to face during the transition period. However, not much has been written about the dramatic changes that have to be made to the accounting and financial system of a transition economy. Accounting and Financial System Reform in a Transition Economy: A Case Study of Russia was written to help fill that gap. Case Studies on Corporate Governance R. Muthukumar, 2009-01-01 Corporate governance has ensured greater assurance in the light of increased globalisation, tougher regulations, and heightened shareholder activism etc. More or less every country has its own corporate governance code. Most of the stock exchanges made i **Case Studies on Ethics and Corporate Governance -** Ramaseshan H, 2007-05-29 For all progressive organisations of today, commercial success means much more than the profit margin. It is the image of the company and the goodwill it generates in the market that determines its success in the true sense of the word. It is also established that those companies which portray a clean public image can attract the brightest and the best talent. With shareholder activism being the order of the day, the activities of the Board of Directors and the company practices are coming in for a greater public scrutiny, and organisations that do not pass the muster are found to decline rapidly. The best way for organisations to guard themselves against such a possibility is by reading and discussing of case studies on the ethical practices followed by both successful as well as unsuccessful organisations. This can enable one to chart out a plan for ethical compliance for one's own organisation. The learning process also calls for unlearning and re-learning. Publisher Elapsed Tales of Skyscrapers Qaiser Rafique Yasser, 2012-03 Corporate governance is now meticulously within the public domain, judging from the consideration it receives from the mass media. The governance of companies, specially the listed companies, is a complex matter. This book intends to provide insights into current issues in corporate governance by examining the links between corporate governance theory, regulations, and practice. The case studies contained in the book examine the circumstances of companies where corporate governance is seen to be an issue. An important feature of this book is the fifteen case studies, some of which have been important in influencing codes and regulations of corporate behaviour and become a source of inspiration and cause shareholder's activism. The cases are designed to reinforce the reader's understanding of the conditions under which corporate governance can break down. It is hoped that Elapsed Tales of Skyscrapers: Cases of Corporate Governance scandals will stimulate interest in the subject and encourage discussion of the various issues identified in the case studies. Critical Issues in Human Resource Management Ian Roper, Rea Prouska, Uracha Chatrakul Na Ayudhya, 2019-09-21 By problematising core HR topics and presenting significant new developments in the field, this engaging textbook will enable students to develop a nuanced and critical approach to HRM. It integrates students' understanding of the key operational aspects of HRM with the wider institutional

social political and economic contexts in which they occur covering important and emerging topics such as intersectionality wellbeing international migration globalisation and corporate governance Theoretically rigorous and rich in pedagogy this textbook will hone students critical thinking skills allowing them to confront higher level problems faced in HR and deal with complex real world HR situations A range of topical international case studies ranging from iPhone factories in China to contemporary US politics places HR issues in a comparative global context This is an essential textbook for upper undergraduate postgraduate and MBA students studying contemporary or critical issues in HRM It can also be used as a supplementary text by those wanting to deepen their knowledge of HRM and by practitioners keen to understand how core HRM topics intersect with wider contemporary and global issues

Investing in Corporate Social Responsibility John Hancock,2004 The rapid growth of ethical investment funds reflects a growing desire for investors to back socially responsible companies And there are other sound reasons why companies that are seen to be ethical environmentally friendly good employers etc can see real benefits to their bottom line Recent revisions to stock market rules have made ethical funds available to a much wider group of advisors and investors This important book explains the issues and the benefits of corporate social responsibility in the context of an analysis of the 300 quoted UK companies currently listed on the prestigious FTSE4Good index Part One covers recent corporate ethics issues and the damage that revelations of dishonesty and unethical practice can do to stock markets It explains how businesses can avoid these problems and why it is good to do so The criteria whereby companies are seen to be socially responsible and the growing importance of SR to investors and other stakeholders are addressed The performance of the FTSE4Good index is studied and there is analysis of how the sector compares to the general market Part Two contains a full directory of the 300 companies listed on the FTSE4Good index and tables showing how companies fit the criteria This is followed by individual company profiles and company case studies including Centrica EMI Friends Provident Whitbread National Express and National Grid

Developing Property Rights Theory Shaoan Huang,2023-11-08 This book aims to interpret China s property rights reform since 1978 on theory level Property rights reform is no doubt the essential for economic system reform which led to China s economic miracle in the past 40 years Neither modern property rights theory nor Marxism can explain all issues around Chinese complex economic system reform The book sheds light on the theory development through comparative study and China focused research

The Business Case for Corporate Governance Ken Rushton,2008 A fresh look at the practical benefits of good corporate governance written by experienced practitioners
