## **Cash For Your Crafts:**

*30 Ways to Turn Your Craft Into Cash* Suzanne M. Robinson, 2014-01 Creating a Successful Craft Business involves strategy Gone are the days where you can make your products set up a market stall sell your crafts and make money The problem is there is too much competition from mass produced products You need to find new ways of packaging your craft skills and passion into profitable products that don't involve long hours making items only to earn a minimal return Or maybe you already have an online craft business but it isn't generated the income you would like I guarantee you there are more profitable ways to leverage your craft skills and passion they what you are currently doing 30 Ways to Turn Your Craft into Cash goes through 30 Strategies to find and develop a successful product for your Craft Business If you are going to put energy into building your craft business you want to make sure you have the right product This book explores new and exciting ways to leverage your craft skills and passion beyond just making handmade items to sell Every crafter has skills and knowledge they can share with others they just need to know how to sell it In this book you will discover new and exciting ways to Turn Your Craft into Cash You will be able to create a Handmade Business that will allow you to make money from home In this book you will learn New ways to sell your handmade items and reach more buyers How to package your craft skills experience and passion into lucrative digital products that you can sell over and over again How to position yourself as an expert so customers will pay more for your items How to package other peoples knowledge and experience into products that can make money for you The book is broken into three sections The first covers 12 different strategies for selling your Handmade items and includes links to the most lucrative online stores for marketing your products The second section discusses 12 traditional and digital ways to package your knowledge and expertise into lucrative products This section alone will revolutionise the way you look at your craft business and inspire you to create new money making products And the third section covers 6 ways to make money from your craft passion even if you're a novice crafter by leveraging the expertise and knowledge of other crafters Over half the strategies covered in the book harness the power of the Internet and show you how to merge your craft skills and passion into profitable digital products that you can sell over and over with little ongoing effort from yourself You will learn how to go from Sweat Shop to Ongoing Recurring Passive Income in an Industry that you love Many of these strategies are used outside of the craft industry to make millions of dollars Now it is time to leverage these strategies in the Craft Business arena to create successful and profitable businesses based on more than just making and selling handmade items Each strategy covers the upsides and downsides to implementing the strategy along with tips on getting started on each strategy If you're tired of spending long hours at the dining room table making products you sell for minimal profit then this book is for you Be prepared to change the way you look at your craft skills and passion Be open to developing a new route for your craft business then you will finally get paid what you are truly worth as a craftsperson So grab your copy of *30 Ways to Turn Your Craft into Cash* to get started creating your Successful Craft Business **BONUS Watch**

free a free video tutorial and download the free worksheets to create your very own 90 day fast track action plan to get your Craft Business making you money All the details on the inside **How to Make Cash from Your Crafts** S. Denise Hoyle,2015-07-23 You can easily make 2 000 or more per month by turning your favorite craft hobby into a business Spend as much or as little time as you want work the hours you want Take a day off whenever you choose YOU are the boss this is YOUR business You can start off small just working evenings and weekends or get aggressive and turn crafting into a full time very lucrative business the choice is yours A craft business can be started with very little money up front The market for craft items has never been stronger than it is today Even when there seems to be little money for luxuries people still need gift items for birthdays anniversaries graduation baby showers Mother s Day Father s Day Christmas Valentine s Day job promotions and many other occasions If your craft item can be personalized the sales potential increases even more Even if you don t have a craft hobby right now library books and magazines are full of ideas for projects and items that you could make and sell Home decorating shows on television and shopping trips to local craft fairs can also provide inspiration for a new hobby you can take up or craft item you could recreate or improve upon But you ask can a person make a living selling their crafts The answer is a resounding YES A person dealing in crafts who approaches their work in a serious and businesslike manner will do very well Once the basics are learned you can expect to make up to 20 000 a year working part time and from 20 000 to 50 000 or more a year working full time How To Make CASH From Your Crafts contains detailed information on how to start up your business how to market yourself pricing guidelines information on bookkeeping taxes advertising and much more If you follow the easy to understand step by step instructions and advice given throughout this golden opportunity manual you can have your craft business up and running within a few days You do not need a lot of money to become a success in this business just a willingness to follow the instructions in this complete manual Cash for Your Crafts Wendy Rosen,1997 Turn you craft creativity into cold hard cash Spot trends Price your work Estimate costs Find supplies at wholesale You re led through every step including the ins and outs of marketing fairs shops and wholesale Lists more than 1 000 information sources art centers guilds and organizations for crafters and artisans Making Crafts, Making Money Laura Scott,2003 An exciting moment for any crafter is when they are able to take the love for crafts and turn it into real money Selling your crafts enables you to make money doing what you love along with the convenience of setting your own hours and working from home How to Earn More Money from Your Crafts Merle E. Dowd,1976 *The Complete Idiot's Guide to Selling Your Crafts* Chris Franchetti Michaels,2010-07-06 Get started selling handmade This straightforward book walks you through the process of preparing your goods for sale pricing and bookkeeping finding venues marketing and promoting your products and working with customers both online and off all without quitting your day job Clear concise instructions explain everything you need to know to sell crafts effectively in your spare time and help you decide whether to take selling to the next level Learn how to Find out whether you and your crafts are ready to start selling
