Cat Behavior:

Decoding Your Cat American College of Veterinary Behaviorists, American College of Veterinary Behaviorists, 2020 One of the predominant reasons that owners abandon or give up their pets is because of unwanted behaviors. Many have tried to instruct proper cat training. Now experts at the American College of Veterinary Behaviorists provide an in-depth understanding of the underlying reasons for a cat's problem behavior, giving owners new insight on promoting their cat's physical and psychological health and wellness and maintaining a long and fulfilling relationship together. Conveying the newest and best information on cat behavioral science, this book will help readers provide a home environment that is happy, safe, and functional and in general to help cats live longer and fuller lives. Adapted from jacket *Cat Behavior Course* Brian Smith, This comprehensive cat behavior course delves into understanding the intricacies of feline behavior and provides practical guidance for addressing common behavioral issues. From exploring the anatomy and physiology of cats to deciphering feline communication, the course covers a wide range of topics. It delves into instinctual behavior patterns including aggression, inappropriate urination, and destructive scratching, and offers strategies for environmental enrichment to promote a stimulating and fulfilling environment for cats. The course also addresses health considerations, socialization, handling fear and anxiety, resolving territorial behavior, managing mealtimes, and understanding age-related behavior changes. Furthermore, it explores feline body language and vocalizations, the importance of human-cat bonding, enforcing boundaries and rules, handling cat-human aggression, and maintaining a healthy and happy relationship with cats. Overall, this course aims to equip cat owners with the knowledge and skills to better understand their feline companions and foster a harmonious and fulfilling bond. *Fix Your Cat's Behavior* T.S.
