, 1990 *Fall from Grace* Nathan Daniels, 2014-09-03 *Fall from Grace* started as a book about drug abuse and gradually
formed into a story about a lost adopted child who responded to the world with destruction For some reason and as far back
as I can remember I've always felt hard done by or resentful Maybe it's because of the adoption but even as a young child I
was angry and destructive I broke everything I got and to be honest I behaved like a delinquent This behavior continued and
progressed until that fateful day when I first tried drugs Drugs and alcohol became the solution to an unnamed problem and
eventually developed into a life threatening obsession that very nearly put me six feet under *Fall from Grace* is mostly factual
some of the instances are from distorted memories and in that respect the story is as true as my memories are and maybe
that isn't the most reliable source but hey it's done and it's my experience of what I went through So enjoy **Fall from**
