Fire of God J. Kelly,2004 It began long before man ever took his first breath Somewhere beyond the Great Barrier of our own existence an uprising broke out in Heaven as Immortals fought for the very Kingdom of God In the end the rebellion was quelled The traitors were tried and sentenced But though the battle had been won the war had just begun Now that same war that started so long ago could threaten the delicate balance between good and evil A storm is coming and the planet Augusta will soon be put to the fire Unable to stop the coming battle the KaRel family is swept right into the thick of it as one of them is given the greatest weapon imaginable the Fire of God But can a mere mortal be trusted with such power And what of the mysterious Dark Angel Could he hold the key to the galaxy s salvation or its utter demise In the distant future the battle will be decided as a long forgotten faith is born again
