

The Lost City of Atlantis

A long time ago, a Greek philosopher named Plato told a story about a city called Atlantis. The founders of Atlantis were just gold and gem houses, and the gold houses protected the city. Atlantis was a beautiful place (filled with gold, silver, and other valuable metals), and it had many amazing animals. It was also a powerful naval empire.

Over time, the city of Atlantis became so big that the people living there were called Atlantians. In the Atlantians' great temples, they became greedy. They wanted nearly everything the ocean and islands. They made the gold very shiny. One night, they had huge earthquakes, floods, and fires in Atlantis. This caused it to sink into the ocean, never to be seen again.

Many historians and archaeologists have tried to find Atlantis. Sometimes, they discover ancient cities or interesting artifacts. They are certain that Atlantis was real. It makes for an amazing story!
