Tingle considers how both countries have been governed and the different way each has dealt with its colonial legacy What could Australia learn from New Zealand And New Zealand from Australia This is a perceptive often amusing introduction to two countries alike in some ways but quite different in others Jacinda Ardern is not the first reason we have had to look across the Tasman and wonder whether there is another way of doing things New Zealand perhaps the only place in the world that has suffered isolation and the tyranny of distance more than Australia has repeatedly jumped out of its comfort zone and changed direction harder faster and for longer than Australia has done in the past half century Laura Tingle *The High Road* [Disrupting Leadership in Entrepreneurial Universities](#) Jill Blackmore,2022-10-20 What is the future of the contemporary university and for those who lead them Considering leadership in the broadest sense including academic leadership teaching and research as well as leadership practices of those in formal management positions Jill Blackmore outlines how multiple pressures on universities have produced leadership practices in management and research which are more corporate than collegial and which discourage many academics from aspiring to leadership She uses a range of theoretical tools informed by critical and feminist organisational studies to unpack higher education and how it is being transformed in ways that undermine its core work of teaching and research Drawing from three Australian university case studies this book uses leadership as a lens through which to investigate the effects of restructuring of the higher education sector which have impacted differently on academic identities and careers **The Australian Musical News** ,1925 [Our Australian Girl: Meet Marly \(Book 1\)](#) Alice Pung,2015-01-28 It s 1983 and Marly is just trying to fit in at Sunshine Primary School But being a refugee from Vietnam doesn t make things easy and when Marly s cousins come to stay and end up at the same school her friends make fun of them How can Marly stay loyal to her cousins and keep her school friends as well Meet Marly and join in her adventure in the first of four exciting stories about a daring girl torn between two worlds **The Australian Quarterly** ,1971 [Our Australian Girl: Daisy on the Road \(Book 4\)](#) Michelle Hamer,2014-09-24 It s 1930 and Daisy has finally had news that her dad is alive He s gravely injured somewhere in the bush and though she doesn t know quite where Daisy is determined to find him With help from old friends she sets off on her way But life on the road is hard and before long disaster strikes Will Daisy reach Dad before it s too late **The Australian Sugar Journal** ,1919 **Australian Verse** John Leonard,1998 This anthology is a survey of poetry by Australians in English beginning with a selection of contemporary work by younger poets and going backward in time to the early colonial period An extensive selection is provided of the major poets Les Murray Gwen Harwood Judith Wright A D Hope and Kenneth Slessor [Australian Book Review](#) ,2003 [Australian Aboriginal Studies](#) ,2003 **Australian Folklore** ,1994 [Australian Geographic](#) ,2006 [The Australian Journal](#) ,1892 *Australia's First Fleet* Jonathan King,1988
