Australian Readers Remember Martyn Lyons, Lucy Taksa, 1992 **Australian Readers Remember** Martyn Lyons, Lucy Taksa, 1992 This work of cultural history is based on the authors investigation into the reading habits of 60 elderly Australians The first survey of its kind it is the first literary history of Australia from 1890 to 1930 to be based on readers attitudes and experiences **Australian Readers Remember: an Oral History** m; taksa lyons (l), 1992 **The Book World** Nicola Louise Wilson, 2016-05-18 British literature underwent profound changes in the period 1900 1940 What role did audiences and channels of book distribution play in this In this wide ranging collection the influence of publishers distributors librarians and readers come to the foreground to open up new perspectives on literature and print culture Rooted in original archival research chapters include studies of the engagement of canonical writers and bestsellers with the literary marketplace the influence of international and mobile audiences publishing practices involving genre promotion and censorship and the significance of spaces of reading including bookshops circulating libraries and on board passenger ships Through a series of detailed case studies that focus on under explored aspects of distribution and readership the contributors open up new perspectives on literature and the British book trade Reading Culture and Writing Practices in Nineteenth-century France Martyn Lyons, 2008-01-01 Between about 1830 and the outbreak of the First World War print culture reading and writing transformed cultural life in Western Europe in many significant ways Book production and consumption increased dramatically and practices such as letter and diary writing were widespread This study demonstrates the importance of the nineteenth century in French cultural change and illustrates the changing priorities and concerns of l histoire du livre since the 1970s From the 1830s on book production experienced an industrial revolution which led to the emergence of a mass literary culture by the close of the century At the same time the western world acquired mass literacy New categories of readers became part of the reading public while western society also learned to write Reading Culture and Writing Practices in Nineteenth Century France examines how the concerns of historians have shifted from a search for statistical sources to more qualitative assessments of readers responses Martyn Lyons argues that autobiographical sources are vitally important to this investigation and he considers examples of the intimate and everyday writings of ordinary people Featuring original and intriguing insights as well as references to material hitherto inaccessible to English readers this study presents a form of history from below with emphasis on the individual reader and writer and his or her experiences and perceptions History of the Book in Australia Volume 3 Craig Munro, 2006-07 This new volume in UQP s History of the Book in Australia series explores Australian book production and consumption from 1946 to the present day In the immediate postwar era most books were imported into a colonial market dominated by British publishers Paper Empires traces this fascinating and volatile half century using wide ranging research oral history and memoir to explore the worlds of book publishing selling and reading After 1945 Australian publishing went from a handful of fledgling businesses to the billion

dollar industry of today with thousands of new titles each year and a vast array of imported books Publishing's postwar expansion began with the baby boom and the increased demand for school texts with independent houses blossoming during the 1960s and 70s followed by the current era dominated by global conglomerates All aspects of print culture are explored from authorship and editing to bookselling libraries and reading habits in the context of today's rapidly changing publishing landscape with its many technological challenges A wide range of expert contributors including book trade practitioners have produced this lively and indispensable account of our vital cultural industry *Samuel Johnson and the Life of Reading* Robert DeMaria Jr.,1997-04-21 The surprising influence of one of the greatest readers in English literature If readers of the twentieth century feel overwhelmed by the proliferation of writing and information they can find in Samuel Johnson a sympathetic companion Johnson's career coincided with the rapid expansion of publishing in England not only in English but in Latin and Greek not only in books but in reviews journals broadsides pamphlets and books about books In 1753 Johnson imagined a time when writers will perhaps be multiplied till no readers will be found Three years later he wrote that England had become a nation of authors in which every man must be content to read his book to himself In *Samuel Johnson and the Life of Reading* Robert DeMaria considers the surprising influence of one of the greatest readers in English literature Johnson's relationship to books not only reveals much about his life and times DeMaria contends but also provides a dramatic counterpoint to modern reading habits As a superior practitioner of the craft Johnson provides a compelling model for how to read indeed he provides different models for different kinds of reading DeMaria shows how Johnson recognized early that not all reading was alike some requiring intense concentration some suited for cursory glances some requiring silence some best appreciated amid the chatter of a coffeehouse Considering the remarkable range of Johnson's reading DeMaria discovers in one extraordinary career a synoptic view of the subject of reading *Bulletin* ,1996 **Journal of Australian Colonial History** ,2004 *Australian Book Review* ,2005 *Australian Literary Studies* ,1993 *Australian Studies in Journalism* ,2006 **The Australian Library Journal** ,1999 *The Statist* ,1912 *From Australia with Love* Juliet Flesch,2004 Challenges the view that this fiction is conservative uniform and unchanging It examines the Australianness of Australian romance writing and considers the attitudes of several authors in relation to gender and race issues Juliet Flesch is with the University of Melbourne *Statist* ,1912 *Australian Journal of French Studies* ,2002 *Everyday Readers* Ian Collinson,2009-06 This title combines a number of different academic approaches in order to better understand the complex nature of readers everyday encounters with their books *Collins' Wide world geography reader* Collins William sons and co, ltd,1901 **International Catalogue of Scientific Literature [1901-1914]** ,1902
