## **Authentic Christianity:**

Authentic Christianity Gordon Silcox,2013-12-05 Today in our world there is much to doubt confusion and misunderstanding by so many about what Christianity really is There are in spite of the naysayers those who really desire to know the truth about The Faith once delivered to the Saints It is obvious that the doubt confusion and lack of understanding have been created by many factors down through history A deepening apostasy among the churches has created many religions cults and practices that have produced a maze of confusion perplexity and uncertainty Yet the authentic Christian faith has not failed and is still alive and well Our Lord promised its perpetuity in the churches He would build This book sets forth the doctrines and practices in God s Word concerning Christianity and will help others seek the Truth about Biblical faith An excellent source for witnessing and training others to always have an answer *Authentic Christianity* Ray C. Stedman,1996 This classic by Ray Stedman moves you beyond religion doctrine rules and rituals into the life changing experience of being genuinely and intimately connected with Christ He shows you how to live a life of faith with integrity a life that attracts people and compels them to seek its Source *Honest to God?* Bill Hybels,1992 This analysis of the inconsistencies in the lifestyle of today s Christians is accompanied by specific examples and discussion of how Christians can restore authentic Christianity in their personal lives and thus nurture a troubled world **Authentic Christianity** Richard W. Tow,2018-12-13 In a time when biblical literacy is waning and values are less than absolute Authentic Christianity is a helpful and needful book for today s church Consisting of thirty chapters a conclusion a bibliography and indexes it moves through the first Epistle of John segment by segment mining biblical guidelines and blessings at every corner Ben Aker PhD professor emeritus of New Testament and exegesis Assemblies of God Theological Seminary I want this book in the hands of every one of my students and ministry leaders The church is at a crossroads wherein we are teetering along a slippery slope that has ensnared a generation with a gospel unlike that preached by Christ and his disciples Pastor Troy D Bohn director of Raven Ministries International Training Center I highly recommend Dr Richard Tow s Authentic Christianity for pastors and anyone serious about studying 1 John in a deeper way Dr Tow presents practical ideas and lessons for how twenty first century Christians can protect our hearts and minds against modern day false teachings how to sincerely and biblically live our lives with love and a clear conscience Dr Donald W Eubank chaplain retired lieutenant colonel US Army endorsing agent military VA chaplains Foursquare Gospel Church This book should be required reading for anyone in ministry The church is slowly apostatizing due to its ignorance of what constitutes a genuine biblical believer John s epistle more than any other New Testament book differentiates between the true child of God and those who are merely claiming to be one John s bottom line is These things I have written in order that you may know that you have eternal life Find out what John means by know It s a matter of life or death David Ravenhill author and itinerant teacher Siloam Springs Arkansas Authentic Christianity Gordon Haresign,2014-05-29 Authentic Christianity is an insightful and timely wake up call to every Christian today If you

want to rediscover what the church is all about this is a good place to start Whitney T Kuniholm president Scripture Union USA Authentic Christianity is more than a scholarly exposition of the first three chapters of the book of Revelation The book takes you on a tour from the small island of Patmos in the Aegean Sea to the sites of seven ancient cities in what was known as Asia Minor The messages Christ conveyed to the churches in those cities are as stunning today as they were then The author relates those messages into direct confrontation and challenge as he builds a convincing case for the display of authentic Christianity Authentic Christianity captures attention from the outset as it not only examines Christs critique of those churches at the end of the first century it exposes todays churches In light of the churchs declining influence in the world the author makes an exceptionally strong appeal for those who call themselves Christians to be authentic Authentic Christianity exalts Christs role in the church and reflects the high standard expected of Christians today In an age when the church is increasingly scorned the author sounds a clarion call for repentance and revival This is a compelling read The book containing personal and practical illustrations is a dynamic challenge to bring ones life into conformity with Christs expectations The reader cannot possibly remain indifferent after reading the book and seriously considering its timely message The book is an appeal for action change revival and authenticity

**Authentic Christianity** Joshua Rhoades,2024-08-22 Authentic Christianity The Heart of Old Time Religion is a book that calls readers back to the simple yet profound idea of believing and behaving according to Scripture The author emphasizes it s about having a sincere faith in God and living out that faith in everyday life based on what the Bible teaches This book breaks down the idea that authentic Christianity is rooted in simply believing in the truths of the Bible and letting those beliefs shape how you live It reminds readers that the Bible is the ultimate guide for how to live a life that pleases God and it encourages them to read and study Scripture regularly to understand what God wants from His followers The book stresses that believing is more than just saying you have faith it s about truly trusting in God s Word and allowing it to influence your thoughts actions and decisions Behaving Biblically means living out the principles found in the Bible The author makes it clear that these actions are not about earning God s favor but

are a natural response to the love and grace that God has already shown through Jesus Christ. The book also points out that living a Biblical life can be challenging in today's world where many people have different values, but it encourages readers to stand firm in their faith and let the Bible be their guide, no matter what. It reassures readers that they don't have to do this on their own, as God provides strength and guidance through the Holy Spirit. Authentic Christianity: The Heart of Old Time Religion is a powerful reminder that true Christianity is not complicated; it's about believing what the Bible says and letting that belief guide how you live every day. The book encourages readers to get back to the basics of their faith, to trust in God's Word and to live in a way that reflects the teachings of the Lord Jesus Christ. It's a book that will inspire and challenge you to live out your faith in a real and meaningful way, not just in church on Sundays but in every aspect of your life. Whether you're a new believer or someone who has been a Christian for a long time, this book will help you deepen your faith and remind you of the importance of simply believing and behaving Biblically according to Scripture. It's a call to return to the heart of Christianity where faith is genuine and actions speak louder than words, making it a valuable resource for anyone who wants to live a life that truly honors God.

The Apostles' Creed R. Albert Mohler, Jr., 2019-03-26 I believe. These two words are among the most explosive words any human can utter. The Apostles' Creed has shaped and guided Christian faith for almost two thousand years. Shared by Protestant, Roman Catholic, and Eastern Orthodox traditions, it is perhaps the most compelling statement of Christian doctrine the world has ever known. But do we know what it really means and how it applies to us today? In The Apostles' Creed, renowned theologian and pastor R. Albert Mohler Jr. works line by line and phrase by phrase through each section of the Creed, revealing the rich truths it contains, including the profound mystery of the Trinity, the miracle of the Incarnation, the world-shaking truth of the resurrection, the hope of Christ's return, and the theological heritage contained in this ancient statement. The Apostles' Creed is an often overlooked treasure that contains the power to shape us for vibrant and steadfast living today, equipping believers to live faithfully in a post-Christian culture.

**What's Wrong with This Picture** Alisa Burns, 2010-08-27 Are you struggling with modern-day Christianity that plays the game of duplicity where it is supposed to be one way yet acts another, or do you find yourself frustrated in a religious cycle from Sunday to Sunday? No matter where you are on your journey with God—whether just born again or a Christian of many years—Alisa Burns will give you practical applications to help you revive your passion for Christ and the world God so lovingly died for. She will take you through the necessary steps of unmasking religiosity and finding true love in Christianity. Join Alisa in her endeavor to see all fulfill God's desire for each and every person in their walk with the Lord. She invites you to meet the challenge of returning to Authentic Christianity and find the world's savior once again. This book will inspire your heart to get real with God, come up higher, and go deeper in cultivating an authentic lifestyle of Christ-likeness. Warmly written and rich with anecdotes that connect principle with practicality, this book brings fresh insight that will both challenge and strengthen you in developing a right relationship with God, family, others, and yourself. A wonderful must-read for all who desire a truly Spirit-filled life. I, Nicole

Williamson This book shows us with poignance the problem we are all facing in the American church which is dead religiosity but then points the way out by directing us to the real answer which is Christ's love, mercy and compassion.

Alan Burns *Whats Wrong with this Picture* was written from the heart of a woman with a mission to see a return to the authenticity of Christianity to the church. You will gain fresh insight to this important spiritual truth as you read and meditate on this book.

Beth Alves *Authentic Christianity* Richard Taylor, 2009-11-27 **Characteristics of True Christianity**

Steven & E. Sue Maugh, 2013-10 Have you ever asked yourself the question That doesn't seem very Christian like does it? When has this occurred? Was it at church or on a Christian TV show? How about a friend or neighbor that you know personally and they claim to be a Christian? Are there any rules for us as regular everyday humans to know or discern whether or not someone is who they say they are? The answer is an unequivocal yes. God has plainly said in His word that only He has the right to judge someones salvation. After all that is what Christianity is really all about who is a follower of Jesus Christ. You see God is the only one that has the ability to see inside of a man or woman to their very core their heart. Only He can know the thoughts and intents of the heart according to the book of Hebrews. He has however told us that every man woman or child will exhibit fruit. This fruit will show itself in the form of our character. Then God said that we would know them by their fruit. In other words we are to be fruit inspectors. To be a God ordained fruit inspector you must first know what the fruit is and what a good fruit is supposed to look like. This takes training by someone who is an accomplished inspector and a desire on your part to become a good inspector. As the government hires and trains people to inspect our meat vegetables and fruit for our health so God takes you and I trains us to be fruit inspectors for our spiritual health.

The Distinction between Cultural and Authentic Christianity William Miller, 2024-08-27 The Distinction is written in response to Dean Inserra's *The Unsaved Christian Reaching Cultural Christianity with the Gospel*. That book speaks of the most plentiful field of harvest for soul winners in the American Christian churches. That field is the vast congregation of unsaved Christians. While Inserra's book is valuable it does little to define the difference the distinction if you will between authentic and purely cultural Christians. This book seeks to identify and detail that distinction.

**The Key to True Christianity** Matthew O'Keefe, 1874

**A Search for Authentic Christianity** Ph. D. Nat Tracy, 2009-12 A Search for Authentic Christianity asks the question Have we come dangerously near to missing authentic Christianity? Authentic God centered Christianity is compared to Man centered Christianity. Search makes clear that the foundation for all reality is the Moral Character of God. Tracy and Manning delineate the underlying and motivational aspects of God's character as found in Exodus 34:6-7. The Character of Christ as a reflection of God's character is described as revealed in the New Testament. In light of the Character of Jesus the book discusses the call that Jesus gives to all who would follow Him. The call is to choose Jesus for His sheer beauty and worth rather than any hope of reward or fear of punishment. His call is to a partnership rather than an agreement with some man made doctrinal list. Just as relationships between persons must grow or deteriorate our relationship with Christ is to be

vibrant and transformational Grace and Faith are defined in light of this understanding Search defines what the goal of Christ is the production of Christians who are like Him in their characters The book answers the question of How by discussing growing conditions for the disciple s journey toward Christlikeness The Beatitudes are discussed as the foundational attitudes and values of the Christlike person Strategies are presented to foster a truly serving Christlike community
