Authentic Congregations:

Authentic Congregations William H. Hopper, 2000-01-01 Using case studies of authentic congregations diverse Presbyterian congregations that are responding creatively and effectively in their social contexts William Hopper draws insights for all congregations desiring more vital worship service and witness He offers wisdom for congregations about how to engage controversial issues and develop faithful ministries in challenging times *Not Safe for Church* Dr. F. Douglas Powe JR., Jasmine Smothers, 2015-01-06 Congregations say they want to reach new and younger people many of whom are simply turned off by church The big idea is that congregations must be willing to embrace radical ways to connect with new generations Re thinking old assumptions is a starting place but more is needed To really connect congregations have to move beyond and start doing new things that are out of their comfort zones These authors give ten ways to help you move from just saying what you intend to actually doing it This book provides tools to help churches re frame the Good News in non traditional ways and study questions for church leadership teams [The Congregation in Church](#) Thomas Isaac Ball, 1902

Inside the Organic Church Bob Whitesel, 2006 An inside look at twelve emerging churches *Vital Vintage Church* Michael S. Piazza, 2016-02-10 The prevailing witness is that the mainline church's days are numbered This testimony is so frequently repeated that only a fool dare challenge it The contrary view found in *Vital Vintage Church* however comes from someone who actually attends church every Sunday someone who currently teaches in two mainline denominational seminaries consults with dozens of mainline churches and stands in the pulpit almost every Sunday of a mainline church where he is the senior pastor From that vantage point Rev Michael Piazza has seen enough signs of hope to convince him that if we can change the narrative of doom and gloom many of our Vintage Churches are poised to experience a time of great renewal It won't happen if we continue to do business as usual but it also won't require us to abandon the church we love Taking out the pews and the stained glass isn't the answer but changes will be required So take a breath take the plunge and take it from one whose daily ministry is proving THERE IS HOPE FOR THE MAINLINE CHURCH **The Congregation**
