subscription covering the current year or as an annual cumulation covering the past year      **Intergenerational Relations -**  
**Contemporary Theories, Studies and Policies** Andrzej Klimczuk,2024-05-22 Intergenerational Relations Contemporary  
Theories Studies and Policies concentrates on actual discussions around various aspects of interactions that occur between  
people from different age groups and generations The authors present studies related to four sets of challenges crucial for  
relationships between children young adults middle aged adults and older adults These challenges include social and cultural  
challenges economic and technological challenges environmental challenges and political and legal challenges The volume  
also addresses issues important for the global national regional and local application and performance of intergenerational  
solutions projects and programs focused on achieving the United Nations Sustainable Development Goals SDGs The  
collection includes chapters encompassing research and practical recommendations from various disciplines such as  
demography economics ethics management gerontology public health pedagogy social work political science and sociology  
This book is an asset to academic and professional communities interested in theories of intergenerational relationships as  
well as public services and age related policies Moreover the volume is a useful resource to help students practitioners and  
people working in government business and nonprofit organizations build positive and harmonious interactions between  
generations      **Social Europe Guide** European Commission. Directorate-General for Employment, Social Affairs and  
Inclusion,2012      **Demography, Active Ageing and Pensions** ,2012 Recoge 1 The demographic revolution in Europe 2  
Economic employment and social implications of Europe s demographic trends 3 Active ageing 4 Pensions 5 Conclusions
