D. Lee, 2019-06-05 Best science fiction novel *Writer's Digest* Self-Published e-Book Award 2019 Long-listed for the BSFA Science Fiction Novel Award 2019 It takes a certain type of person to save the world and Kong is not that person Which is about to become a serious problem Kong has been working as a Trans-Temporal Copyright Protection officer since he was fifteen years old jumping through time to arrest people threatening the status quo And he's good at his job the best He's pretty certain he'll spend the rest of his life working cases leastways until a bullet gets him or the time pressure finally crushes him Or he might just medicate himself to death that's always an option The problem is Kong doesn't believe in it anymore whatever it is See enough of the past and you realise people keep making the same mistakes again and again It's not really so surprising he's lost hope Then something happens that changes the course of Kong's life forever his murder As Kong unravels the mystery of his death he discovers a plot that threatens not only the world but everything he understands to be true Now Kong must decide if he can play the hero and save humanity And he needs to decide quickly because for once time is running out And he needs to decide quickly because for once time is running out FD Lee effortlessly blends the DNA of time travel and cyberpunk to create a twisty and original beast of a thriller Andrew Wallace 2019 Clarke Award judge A potent blend of traditional concepts with a twist and modern delivery Ian Whates NewCon Press and author of the Amazon UK 1 best-seller Pelquin's Comet Bestselling author F D Lee brings you a fast-paced modern time travel mystery set in a future that appears perfect and a past that killed the world If you like *Altered Carbon* or *Slaughter House Five* you'll love this Get your copy today *The Encyclopaedia of Classic 80s Pop* Daniel Blythe, 2002 An indispensable guide to the best and the worst pop music of the 1980s St. Nicholas Mary Mapes Dodge, 1924 **The New York Times Book Review**, 1977 NASA historical data book, Volume 7: NASA Launch Systems Space Transportation/Human Space Flight, 1988 British Leyland—From Triumph to Tragedy Lance Cole, 2021-01-18 A history of the British automotive manufacturer and an analysis of what went wrong What really happened

at British Leyland BL Was it just the cars or were other factors vital to the story Who really was to blame for BL and MG Rover s death The truth about BL is deeper than its cars were ultra Left wing plots to topple BL and British society real Did secret deals and political intrigue really exist Was it Labour or Conservative powers who killed BL or was it BL itself How was it that BL s design genius was hobbled Author Lance Cole lifts the bonnet on BL and presents a forensic yet easy to read new analysis in a story of BL its cars and the era of their motoring as powers on the political Left and Right waged war sometimes even with themselves Here is a book about cars and more a conversation on all things BL this is a new account of a classic British story told across a trail of evidence in a British industrial and political drama Many mistakes made BL but some of the cars were superb the designs of genius the engineering excellent it is just that we have either forgotten or been brainwashed into believing the worst In a BL book like no other written by a classic car fanatic with a background in industrial design automotive and wider journalism this story lifts the lid on BL s cars and more The author also adds inside knowledge from time working in the motor industry Lance Cole tells the deeper BL story across the era of its greatest successes and its biggest failures An important and overdue book well researched which will find a welcome place on the shelves of transport academics and motoring aficionados alike The Journal of the Road Transport History Association Cole s engaging and informal writing style makes things very readable and helps us untangle a lot of the more complex shenanigans that went on With fifty colour and fifty monochrome pictures it s well illustrated too Thoroughly recommended for its astute insight whether you re a BL fan or not Car Mechanics
