Michael Grimshaw,2014-12-05 Contemporary tourism and travel have become a form of religion a new opiate of the masses  
However could Church and theology be religious forms of tourism and travel Bibles and Baedekers offers a theology of  
tourism and exile for a modern and postmodern world It examines the ways in which location identity and movement have  
made use of religious texts and metaphor and questions the relative absence of secular texts and ideas in theology The  
theology of the tourist and traveller is one of new experiences the acquisition of identity through movement Bibles and  
Baedekers uniquely applies this to the postmodern Christian embodying the fulfilment of Bonhoeffer s religionless  
Christianity dislocated from both a secular and religious world    **Worth the Detour** Nicholas T Parsons,2007-05-24 The  
guidebook has a long and distinguished history going back to Biblical times and encompassing major cultural and social
