The Balanced Life Kurt B. Bakley,2011-05-31 *The Balanced Life* Have you become a born again Christian and found life in Christianity terribly hard stressful and very strict This book will teach you many important proverbs for living a good easy balanced Christian life It will take away many of your problems and make life much more easier and less a burden as Jesus taught Some preachers might not like what is said but they teach strongly the full law like the Pharisees did to the extremes long ago And when you try to follow them under the full law you struggle with it while they don't keep it all themselves Jesus said He came so you wouldn't have to carry a heavy burden and make life free indeed And remember Jesus' biggest enemies were the very strict Pharisees who were the true religious leaders of His time They loved the law more than love people and God Himself They failed to love and forgive and not judge people Don't let that happen again Do you want to feel truly loved Have less stress in your life Sleep peacefully at night Get along with others Control situations in a good way Control your self Be calm and mild and handle all situations that way Then read this book and apply what's in it to your life for the rest of your life And start going to bed each night and awaking each morning knowing your life in Christ will bring joy hope faith love and patience both now and forever when you get to heaven

grow in Him *A Balanced Christian Life* Watchman Nee,1981-12-01 Ephraim is a cake not turned Hosea 7 8 This is a figurative way of saying not balanced The cake is burned on the one side uncooked on the other on one side it is overdone on the other totally undone The cake is unfit to be eaten and is thus destined to be cast out Our God is most balanced He is love and He is light Our Lord Jesus is full of grace and full of truth The Holy Spirit is the Spirit of wisdom as well as of revelation In creation God hath measured the waters in the hollow of his hand and meted out heaven with a span and comprehended the dust of the earth in a measure and the hills in a balance Is 40 12 Concerning redemption it is said that mercy and truth are met together righteousness and peace have kissed each other Truth springeth out of the earth and righteousness hath looked down from heaven Ps 85 10 11 The new creation therefore must be well balanced In this present volume Watchman Nee attempts to show from God s word the perfect equilibrium of divine truth Human nature however is prone to emphasize one side to the exclusion of the other side of truth This has caused much confusion and many problems among God s people It is essential that we know the balance of truth and hold on to both sides so that our Christian life may be well rounded as God has ordained The contents of the book opens with a treatment of the balance between the gate and the way continues with a presentation of the balance between the objective and the subjective includes a discussion on the work inward and the work outward in the Christian life as well as on the rest given and the rest found as promised by Christ contemplates the other side of prayer frequently neglected namely to watch and concentrates on the other less emphasized aspect of the trespass offering that of restoration The book then provides a commentary on the contrast between the truly meek and the spiritually poor and finally concludes with a consideration of the equilibrium that is so necessary between the believer s faith and the believer s walk May all who read this volume be brought into a balanced Christian life **Balanced Christian**

balance in living by the Word of God God has placed value on your life whether you have made Him Lord and Savior or not And He desires that you live up to that value What value do you place on your own life How do you compare your life versus that of an unsaved person God took an appraisal of humans and placed such value on it that He sent His only begotten Son to die on the cross as a way of reconciling us back in relationship with Him I was lost You were lost God said No no We are too valuable to leave in a fallen state Balancing how you live means weighing advantages against disadvantages of every area of your life because there are consequences to your actions Living an unbalanced life means there is a contrast between your way of living and the way God desires for you to live This is what this book *A God Balanced Life* is about It s about the whole man spirit body and soul It is written to focus on the whole person the person that you see every time you look into a mirror you Our life should be a mirror to the world that reflects the image of Christ Imagine your life being a scale and the scale is balanced by how you should live it And how you live is based on the Word of God Your way of living should be balanced by God s word Let s get ready to live a God balanced life Imbalance leads to unstable Unstable leads to discontentment Discontentment leads to never knowing what it means to be fulfilled in Christ A false balance is an abomination to the Lord but a just weight is his delight
