Bali In De Kentering:

The Anthropological Romance of Bali 1597-1972 James A. Boon, 1977-11-30 Professor Boon places our current understanding of Bali within the context of historical views of Balinese life and religion beginning with the initial Dutch contacts after 1597 Based on field work in Indonesia as well as historical research this book is the first thorough study of Balinese social and cultural dynamics

The Dark Side of Paradise Geoffrey Robinson, 2018-07-05 No detailed description available for The Dark Side of Paradise

The Romance of K'tut Tantri and Indonesia Timothy Lindsey, 2008 This historiographic study of K tut Tantri alias Vannen Walker the journalist from the Isle of Man Muriel Pearson the unhappy wife and Surabaya Sue the notorious revolutionary compares her romantic and colorful autobiography Revolt in Paradise with other versions of her past including those of her fellow Bali colonists and her revolutionary comrades as well as her foes the Dutch and various intelligence organizations These alternative accounts of her past question the image of K tut Tantri as hero portraying her instead as dishonest unstable egotistical and immoral Such criticisms have overshadowed proper recognition of her role in the development of modern Indonesia both as a bohemian hotelier in between wars Bali and later as propaganda broadcaster and adviser to Indonesian revolutionary leaders including Soekarno Sutomo and Syarifuddin

Focusing on the nature of biography and autobiography this book analyses K tut Tantri s self defeating battle to use history in text and film script to define her identity and reappropriate her past An examination of the use of ideas of truth and fiction in understanding the past leads to broader consideration of the nature of history and its uses Finally an attempt is made to reconcile the deconstruction of K tut Tantri s autobiography with both an acceptance of the validity of alternative historical genres and an acceptance of the problems inherent in writing a history of a living person

ABOUT THE AUTHOR Timothy Lindsey is Professor of Law Director of the Asian Law Centre Director of the Centre for Islamic Law and Society and Federation Fellow in the Law School at the University of Melbourne

Dirt, Undress, and Difference American Anthropological Association. Meeting, 2005-12-20 Explores how transgressions of the body s surface dirt and undress in many forms take on cultural political and moral value
