*The Song of Fourteen Songs* M. D. Goulder,1986-01-01 A persuasive account in brief compass of the dramatic flow of the Song of Songs Many sensitive observations on the imagery of the songs are presented in the form of a running commentary The author offers his own original verse translation of the fourteen poems     *Song of Songs* Robert W. Jenson,2012-08-01 Jenson focuses on the overt sense of the book as an erotic love poem in order to discover how this evocative poetry solicits a theological reading     Ballad Theory and Technique ,1913     The Modern Reader's Bible for Schools Richard Green Moulton,1922     The Literary Study of the Bible Richard Green Moulton,1895     The Song of Songs John Davidson,2004 Brings out the spiritual meaning of one of the most intriguing books in the Bible     **Song of Songs** Richard S. **The Bible in History** Robert B. Waltz, *The Bible in History* A study of the history folklore and occasionally even the mathematics underlying the Bible A sort of dictionary of scholarly material you likely won t find elsewhere Dedicated to Elizabeth Rosenberg Patricia Rosenberg and Catie Jo Pidel Please understand that this is not a Biblical commentary Also while I try very hard to avoid actual theological discussions the work is very much based on external evidence the manuscripts of the Bible the evidence of other historical records the findings of science the folklore about the Bible Some of this can be offensive to some particularly those who try to find exact literal truth in the Bible I hope you will accept it or else not read it in that light If you are still interested there is a lot of historical background about the Bible here not always direct

links to the Bible but the context of the nations among whom the Israelites lived There is no Biblical mention of say Nabopolassar of Babylon but his actions would deeply influence Judean history Knowing even a little of that history can help understand the Bible Also where there are variant readings in the manuscripts of the Hebrew Bible or the New Testament I note it This may mean that we are uncertain what the Bible says and hence what it means I try either to recover the original meaning or in some cases to assess the meanings of both readings And then there are the tidbits of science and folklore and anything else I can think of The result is a grab bag Some parts may be useful some may not The idea is to browse and see what strikes your fancy With luck you ll understand more about the Bible after doing so
