Todd Bolender, Janet Reed, and the Making of American Ballet Martha Ullman West, 2021-05-18 Martha Ullman West illustrates how American ballet developed over the course of the twentieth century from an aesthetic originating in the courts of Europe into a stylistically diverse expression of a democratic culture West places at center stage two artists who were instrumental to this story Todd Bolender and Janet Reed Lifelong friends Bolender 1914 2006 and Reed 1916 2000 were part of a generation of dancers who navigated the Great Depression World War II and the vibrant cultural scene of postwar New York City They danced in the works of choreographers Lew and Willam Christensen Eugene Loring Agnes de Mille Catherine Littlefield Ruthanna Boris and others who West argues were just as responsible for the direction of American ballet as the legendary George Balanchine and Jerome Robbins The stories of Bolender Reed and their contemporaries also demonstrate that the flowering of American ballet was not simply a New York phenomenon West includes little known details about how Bolender and Reed laid the foundations for Seattle s Pacific Northwest Ballet in the 1970s and how Bolender transformed the Kansas City Ballet into a highly respected professional company soon after Passionate in their desire to dance and create dances Bolender and Reed committed their lives to passing along their hard won knowledge training and work This book celebrates two unsung trailblazers who were pivotal to the establishment of ballet in America from one coast to the other

all day then had to go on stage to dance Giselle That was the greatest pain she has ever known she says It gave her a determination to enjoy life and keep ballet in perspective Similarly when she fell pregnant with her first child Daria explains how those around her were shocked that she was not more concerned with the upcoming performance of Sleeping Beauty In her wonderful and insightful autobiography Daria reveals what life is like behind the scenes and how you really can have it all
