Bamberts Of Missing Stories:

Bambert's Book of Missing Stories Reinhardt Jung, 2009-03-25 ONE DAY MR Bambert a sweet but shy man decides to send 11 stories out into the world He attaches them to little hot air balloons and lets them go on windy nights with a letter asking that whoever finds them send them back Wherever the stories are returned from is where they will be set The 11th story is blank Bambert hopes it will write itself Slowly the stories come back with postmarks from all over the world including one from the past All that s left is the last one the one that has to write itself In this magical little story with a twist the power of kindness stories and hope is woven together to create a soul warming poignant tale that readers will want to read again and again Praise for *Dreaming in Black and White* A short quiet yet memorable novel that challenges its audience with questions worth asking Booklist

Crossing Boundaries with Children's Books Doris Gebel, United States Board on Books for Young People, 2006-05-25 This annotated bibliography organized geographically by world region and country describing nearly 700 books representing 73 countries is a valuable resource for librarians teachers and anyone else seeking to promote international understanding through children s literature It is the third volume sponsored by the United States Board on Books for Young People The first Carl M Tomlinson s *Children s Books from Other Countries* 1998 is a compendium of international children s literature with annotations of both in and out of print books published between 1950 and 1996 Susan Stan s *The World Through Children s Books* 2002 was the second and it included books published between the years 1997 and 2000 *Crossing Boundaries* includes international children s books published between 2000 and 2004 as well as selected American books set in countries other than the United States Editor Doris Gebel has compiled an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity

Missing Persons Hector Z. Gregory,2017-06-06 Gone Forever True Police Stories of People Lost in America Claim Your FREE Books Each Week With This Book Rarely when we think about danger or our chances of being harmed do we think about the people that we know Most of the time we do not think that the people we work with those that work for us or those that we are associated with would ever cause us harm however this is what actually happens frequently As you read this book you will begin to see just how often it does happen None of the cases in this book have ever been solved but when you look at the evidence that will be presented to you chances are that you are going to come to the same conclusion that the police have most of these people have gone missing at the hands of someone they knew On top of this because these people seemed to vanish from the face of the earth no one has been held accountable for their disappearances Their families have not gotten to lay them to rest and still mourn their loss as they have been unable to fully grieve not knowing if the person that they love is still out there or if they have passed from this life While these are quite intriguing stories they are heartbreaking as well As you read them you are reading about experiences that families have gone through true stories of real terror as parents found out that their child was missing as children found out that their parents were gone and as friends found out those that they cared for had simply disappeared Here s A Preview Of What s In This Book Missing Persons Everyone s Hero Missing Persons Five Months Pregnant and Gone Missing Persons The Springfield Three Missing Persons The Missing Bride Missing Persons A Case of Misplaced Trust Much much more Scroll Up and Get Your Copy of This Book Today **Missing Persons Archives** Missing Persons Archives,2025-07-11 Real people Vanished without a trace Their stories demand to be told Missing Persons Archives Volume 1 is a gripping and poignant collection of true stories about individuals who vanished without a trace drawn from the haunting investigations of the YouTube channel Missing Persons Archives This chilling compendium explores disappearances that defy explanation children gone in an instant couples erased without a clue hikers lost to the wilderness and even public figures who inexplicably ceased to exist Spanning decades and continents each case is united by a profound lack of closure leaving families and communities grappling with unanswered questions More than a recounting of facts this volume weaves empathetic human centered narratives that honor the missing as individuals not mere mysteries From long forgotten cases to recent tragedies the book preserves their stories with care ensuring their names and lives endure While it offers no easy answers Missing Persons Archives Volume 1 serves as a powerful act of remembrance aiming to spark dialogue raise awareness and perhaps uncover a vital clue In these pages the forgotten are seen and the silenced are given a voice a testament to the enduring hope that no one should disappear without being remembered **Weird Disappearances** Tom McCarthy,2017-05-16 The book includes five true stories of people who vanished without a trace

Missing Persons Anthony Enns, 1992 *Lost and Missing* Mike Riley, 2014-12-16 Lost and Missing True Stories of People Gone Missing and Never Found Your loved one is missing What can you do The minutes hours days and even weeks drag by with no word Imagine living the rest of your life never knowing what happened to them where they are if they are even alive Lost and Missing True Stories of People Gone Missing and Never Found contains true life stories of people who have disappeared from the face of the earth including the circumstances surrounding their disappearances the investigations the results and the current status of the cases In some instances foul play is definitely involved In other cases bad luck poor judgement or just wrong place wrong time factors have affected the outcomes Some of the stories within are The missing colonists of Roanoke Island The heiress who went shopping and never returned The English Lord who disappeared after a night of bloodshed The tragic mystery of three missing Australian children The man who vanished from a cruise ship And many more Be prepared to be confounded confused and left curious These cases have never been solved and some continue to be investigated to this day Missing Persons Ivan Vladislavić, 1989 Vanished Andrew Clark, 2015-10-09 Over 8 million people go missing each and every year Vanished into thin air Of these some are found within hours others within days some within weeks and certain people are found after months of being away However the story does not always end happily Of the millions who go missing every year around the world there are those who simply vanish and are never seen again The sheer volume of people who disappear each and every year are when examined in detail terrifying In this book we will touch upon some of the most terrifying touching strange and worrying stories In this book we hope to examine the sheer range of cases which have enthralled the interested and distressed those involved for many years Some of these cases became national stories while others remain private tragedies In the cases of missing persons trying to find an explanation is almost as difficult as trying to find the person themselves So join us on this journey and discover just how morbidly fascinating and compelling the cases of the missing can become Here are some of the cases that you will find inside The criminal mastermind who vanished when jumping from a plane The case of the woman abducted by Bigfoot America's first missing person The crazed writer and human rights lawyer who vanished in Mexico The horror writer who vanished into the unknown The genius computer scientist who vanished without a trace One of the world's first filmmakers vanishes before reaping the rewards of his invention Two generations vanish from the same house on the same night And many more Scroll back up and order your copy today Among the Missing, 2013 Stories of men women and children who live far outside the American Dream while wondering which decision which path or which accident brought them to this place Twelve short stories plus a reading group discussion guide A National Book Award finalist **Missing People** Malcolm Cliver, 2016-03-11 A Stunning Collection Of Missing Persons Cases And Stories Of Missing People And Their Unusual Disappearances People disappear everyday some of them turn up murdered some willingly escaped their current lives while some cases remain to be clouded with mystery Day by day we hear and read about missing people but we take them for granted because none of them are connected to us For

the families of the people who disappeared they are constantly hoping that the public would care enough if they happen to see a person who resembles their lost loved one Who knows perhaps if you were just familiar with the case you would be able to identify one missing persons But what happens to these people is mostly unknown Sure we speculate but most of the time we will never really know the truth [Missing People](#) Phil Coleman,2017-09-12 MISSING PEOPLE Gone Without A Trace An FBI studied showed in 2014 there were 83 957 people missing in the United States An average of 750 000 missing persons cases are reported each year with around 2 000 people being reported missing daily When a missing person report is filed the longer the case goes on without the person re appearing the more likely the missing person in question is dead from either homicide or natural causes The majority of missing people are white male adults missing children are rightfully more covered by the media as studies show that the first three hours after a child is missing is when they are most likely to be murdered if killing the child is the intent of the abductor With increased technology improvements in DNA evidence gathering and better law enforcement communication and cooperation solving missing persons cases should have gotten easier and been more successful over time However solving these cases is still difficult and many are never found This is the story of some of those cases affecting victims who still remain unfound Where did these people go What fate befell them And will they ever be found **Missing Persons** Victor Ellanos,2016-04-18 The Stunning Cases Of Unsolved Missing People And Mysterious Missing Persons Cases The True Stories Every missing persons case is an agonizing experience The anguish the family has to go through is unimaginable at least The life as they know it stops and stays paused The only time these people feel alive is when they hear news about their missing loved ones Everyday a lot of missing person reports are filed at police stations Some of them include lost children some of them are missing adults Some are purely by accident while some have a touch of malicious intent as to why the disappearance happened In this book we will have a detailed look at six people who have been living a normal life until they were plucked out from it for unknown reasons What their families have up to now are mere theories Some of them can already be considered dead what with the amount years that passed without solid leads For the cases that have happened recently their families are still hoping living by the belief that one day they will be united

SOS Sagas: Missing - Stories Of The Lost And Found Jenni Harrison,2020 *The Last Place You'd Look* Carole Moore,2011-03-03 What happens when a non custodial parent kidnaps her son Or a college student vanishes after a night out with friends Or a middle aged man seemingly drowns in calm waters What do family members friends and law enforcement do when a beloved goes missing Here Moore explores an array of missing persons scenarios using real life stories to uncover the various ways that people go missing the efforts made to retrieve them the emotional fallout for family and friends and the difficulties and challenges such cases present for all involved She covers parental abductions intentional disappearances stranger abductions the missing and mentally ill runaways foul play and other situations where people go missing In addition the criminal justice approach to missing persons is discussed as Moore looks at the science of missing persons DNA forensic

dentistry etc resources for family and friends national organizations such as the National Center for Missing and Exploited Children and other groups involved in searching and recovering loves ones Here readers will discover how people are found how missing persons cases are treated and how and why some stories have happy endings and others do not **Missing People** Roger P. Mills,2016-10-18 We often see flyers of missing people many of them are children who perhaps enjoyed too much of their escapade that they were separated from their parents Others were probably adults suffering from a mental condition that rendered them incapable of returning home Other missing people cases however are far more intriguing and creepy For example would you imagine a group of passengers abandoning a ship even though it was still capable of operating If pirates killed them then why would they bother bringing the bodies Another case was about three friends who went missing after talking to a man with blond hair They boarded a boat according to some witnesses but what transpired in the boat is still a mystery Other cases such as a lost plane a missing woman with bipolar disorder and a police cover up on the disappearance of a teenage boy can also be found in this book So if you want to share creepy real life tales to friends during a bonfire session then get ready for some disturbingly weird stories Amazon com
