Banjo Paterson's OLD BUSH SONGS

The Book

From his childhood in the Western District of New South Wales and through the bush ramblings of his youth and matured, Banjo Paterson gathered bush ballads. These have now become part of Australia's folklore heritage, yet most have never appeared with their original music. This book, selected, scored and annotated by Graham Seal, completes Paterson's great work by presenting these songs for the first time along with the tunes in which they were first sung.

The Cassette

A dozen of the best old bush songs have been specially recorded to accompany the book of Banjo Paterson's Old Bush Songs. Performed by specialists, one of our leading bush locals, the cassette includes "Another Fall of Rain", and other classics of Australia's folk song heritage. Produced by Graham Seal, this recording reflects his experience as a prominent folklorist and folk musician.

A NEW DIMENSION TO THE BANJO'S PRECIOUS LEGACY.
