Bible Football By:

The Football Coaching Bible, 2002 The Football Coaching Bible features many of the game's most successful coaches. Each shares the special insight, advice, and strategies they've used to field championship-winning teams season after season.

And God Said, It's Good! Gary Graf, 2015-02-01 And God Said It's Good takes the sport of football and compares this favorite Sunday pastime to the Bible and it works. Once again Gary Graf combines his love of sports with the Bible, resulting in an amusing and fun-loving book that delights any sports fan. Comparisons include Hail Mary passes and answered prayers, immaculate receptions and Immaculate Conceptions, football stadiums and cathedrals, biblical verses and double reverses, plus good books and playbooks. These and many more parallels fill this lively and entertaining book. On any Sunday you can bet some are brought closer to the spirit of the sport while others are more connected to the Bible. The twenty chapters in this book compare football and the Bible with remarkable results. Forgiveness and good works were just pre-game drills for the Lord's true purpose here on earth. God rested on Sunday. Football is mostly played on Sunday. Coincidence, I think not. Any author who can find similarities between the dazzling colors of a football team and the colorful vestments of a priest needs to have his book read cover to cover. A delightful read for everyone, even if you're not remotely interested in football. **God and Football... Why Men Love the Game** Patrick Greak, 2012-06-26 In football, coaches must trust their players not to make the same mistake over and over again. However, God never gives up on us, no matter how many times we make mistakes or commit sins. Remember that sinning is different from a mistake. To sin against the law of God requires intent against the law of God and the original Ten Commandments that God gave Moses. The connection between religion and sports is everywhere in our culture. Athletes and fans alike are known for praising God for all success. But beyond these public displays of religion is a spiritual connection that exists between our faith and our favorite teams. **God and Football: Why Men Love the Game** takes an in-depth look at this connection to show the spiritual reasoning behind our passions for the game. Playing or watching the game of football is beneficial physically and spiritually. Real-time decisions made during a game simulate decisions that will be made later in life, off the field. Yet risk is involved and attached to the activity. Injuries can and do occur during games, just as spiritual injuries occur in our daily lives. While football is a fierce game, it teaches us the importance of following the rules, embracing discipline, committing to a team, and trusting in a higher power. Football helps make men better by reminding us of our mortality, as well as teaching us valuable life and spiritual lessons. Find out more about the connection between football and spirituality in **God and Football: Why Men Love the Game**. *And God Said, "It's Good!"* Gary Graf, 2007 And God Said It's Good takes the sport of football and compares this favorite Sunday pastime to the Bible and it works.
