The Importance and Value of Proper Bible Study Reuben A. Torrey, 2022-01-01 There has perhaps never been an age that set such great store in study as that in which we now live The unfortunate thing about it is that so much of the study in our day is devoted to books and subjects in which there is little or no profit Time is squandered on the purely speculative the uncertain the unprofitable the unessential the unproductive the irrelevant and the transitory The most profitable of all study is wisely ordered Bible study Its value is incalculable It is beyond all comparison more profitable than any other study It is the one superlatively profitable study Bible study towers above all other studies in importance and value not only because of what the Bible is but also because of what the Bible does The Bible properly studied makes men wise unto salvation The Bible makes Jesus Christ known so as to lead anyone who studies it to believe in Jesus as the Christ the Son of God and thereby to obtain eternal life in His name The Bible imparts God s own nature to the men women and children who study it as they should and thus completely transforms their inmost and their outward life When properly studied this Book makes the one who studies it grow like the palm tree in all the graces and glories of Christian character The Bible properly studied makes the heart pure and keeps the life white The Bible properly studied brings peace wonderful peace to the troubled heart The Bible properly studied brings joy as well as peace In this book I will tell you how to properly study the Bible for light and not for darkness for life and not for death for blessing and not for cursing and so it will lift us up to heaven and not sink us down to hell *Africa Study Bible, NLT* John Jusu, 2017 The Africa Study Bible brings together 350 contributors from over 50 countries providing a unique African perspective It s an all in one course in biblical content theology history and culture with special attention to the African context Each feature was planned by African leaders to help readers grow strong in Jesus Christ by providing understanding and instruction on how to live a good and righteous life Publisher *Evangelical Study Bible: Christ-centered. Faith-building. Mission-focused. (NKJV)* Thomas Nelson, 2023-05-09 Be refreshed by the power and beauty of faithful Christ centered teaching Engage the issues of today Build a firm foundation for this generation and the next To be an evangelical is to believe in life changing truth it is to believe that the Bible not only

gives us the key to eternal life in Jesus but also the way to live today This is news worth sharing But how do we do this in a rapidly changing culture that appears to be shifting from a general disinterest in the gospel to a more active opposition to it When it feels like our faith is being challenged in every area how should we respond The Evangelical Study Bible will rejuvenate your faith through the unchanging truth of the gospel With verse by verse commentary and interesting sidebars that dig deeper into the historical and contextual background of Scripture it will help you grow in your understanding and appreciation of the life changing truths of the Christian faith Also included are more than fifty articles designed to help you better understand your faith and effectively share it with others Many of these articles address the most pressing issues of our day equipping you to engage others with confidence and laying a foundation of truth for the next generation Features include Commentary articles notes and word studies developed in partnership with scholars from Liberty University s School of Divinity Verse by verse commentary on the entire Bible for a better understanding of the passage being read Over 200 short articles on Christian teachings and doctrine for a systematic study of themes in God s Word 100 articles to equip readers to navigate the cultural engagement issues of today 100 cultural background notes help you relate to how people lived in Bible times 100 archeological notes draw attention to biblical places and related archeological discoveries 550 Word Studies to explore key terms of the Bible Biographies of 150 biblical figures give overviews of key men and women in the Bible Full color maps charts and family trees for a visual representation of concepts and where key events in the Bible took place Book introductions with outlines and reading plans provide a concise overview of the background and historical context of the book about to be read Topical indexes make it easy to find important topics in Scripture Extensive cross references drawing connections between texts Concordance provides an alphabetical listing of important passages by key words Large Print 10 5 point NKJV Comfort Print
