Bible And Gospel:

The Biblical Gospel Reid Hensarling, 2012-06-20 This book explores the only sure solution to the ongoing problems of our world the biblical gospel of Jesus Christ A variety of viewpoints are presented from our religious political and economic spectrums but only the absolute truth of the gospel of Christ has the message that ultimately answers the most pressing questions and serious concerns of the human soul The book is concerned with encouraging and helping church leaders bring spiritual renewal to their people through the biblical gospel Chapter one explains what the gospel is and the importance of the Bible and shows how a limited number of biblical figures were used by the Lord to bring spiritual renewal to their people Chapter two describes the profound transformation that the proclamation of the gospel had upon sixteenth century England The pernicious dangers of our current postmodern culture are examined in chapter three along with the only effective solution the proclamation and reception of the biblical gospel Chapter four proposes a model for growth and transformation in Christ through the renewal of the clergy and laity The book concludes that mankind s only hope for eternal security and truth is found in the gospel of Jesus Christ as presented through the pages of the Bible The book illustrates that regardless of time place or nationality the gospel declaration alone has the power to change human beings from lives of sin and rebellion against God and one another to lives filled with love and devotion to Jesus Christ and others This book is designed to draw significant attention and interest to the churches obligation and critical calling by God to present the Holy Scriptures in a loving and truthful way to congregations that will bring lasting change to the body of Christ Only the gospel has the ability to renew and transform people from a life of sin and rebellion against God to a life of love devotion and service to Christ Lives start to change and people begin to think live and act more like Christ The promises and truths of the gospel bring to the believer eternal security lasting peace and unspeakable joy What an extraordinary additive to everyday living The faithful pastor is entrusted with God s Word to preach and teach absolute truth which upon reception by the people brings repentance forgiveness salvation and freedom Ministers who are obedient to the gospel bring tremendous blessing and hope to their flocks God s people are transformed and renewed and the kingdom of God is extended into a world desperately needing love and truth

The Gospel of John in Modern Interpretation Stanley E. Porter, Ron C. Fay, 2018-10-30 The Gospel of John in Modern Interpretation provides a unique look at the lives and work of eight interpreters who have significantly influenced Johannine studies over the last two centuries. The chapters contain short biographical sketches of the scholars that illuminate their personal and academic lives followed by summaries and evaluations of their major works and concluding with an analysis of the ongoing relevance of their work in contemporary Johannine scholarship. Key thinkers surveyed include C. H. Dodd, Rudolph Bultmann, Raymond Brown, Leon Morris, and R. Alan Culpepper. An introduction and conclusion by general editors Stanley Porter and Ron Fay trace the development of Johannine scholarship from F. C. Baur to the present and examine how these eight scholars' contributions to Johannine studies have shaped the field. Anyone interested in the recent history of the study of John will find this volume indispensable.

The Gospel: Love Divine William H. Wetmore, 2014-10-31 The gospel of Christ is the central message of Scripture. It contains God's eternal plan for the redemption and reconciliation of His creation. However, do you understand the gospel? Can you proclaim the gospel? Is the gospel important in your life? The Gospel Love Divine presents the gospel of Christ in terms that every Christian can understand. This book explains the origin of the gospel, the content of the gospel, the purpose of the gospel, and the results of the gospel. The origin of the gospel is with Abraham and his offspring, Jesus Christ; the content of the gospel is the Cross of Christ and His resurrection; the purpose of the gospel is joy, confidence, and faith; the result of the gospel is that we would become a new creation, redeemed and reconciled to God. As such, this book is to equip the Christian community with the essential information for proclaiming the gospel, defending the gospel, and applying the gospel. The Christian church will be stronger and a more effective witness when the gospel is fully understood. We need to be Christ's witness in all the world.
