The Greatness of God Charles Frank Thompson, 2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank

Thompson argues that the consequences of this rejection of God and divine creation have not been benign. He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth, knowledge, meaning, and purpose. In *The Greatness of God*, Thompson explores a wide range of topics including Christian theology, metaphysical philosophy, and an analysis of modern thought and art. He examines the rich history of Christian poetry, prose, and art, and takes a look at recent scientific discoveries that help us understand Christian teachings about God's creation. He concludes with an exploration of the millennium, the eternal kingdom of God, and the spiritual state of America and Europe today.

THE COMFORTER HAS COME Ronald Price, 2022-09-14. Book. But I tell you the truth, it is to your advantage that I go away; for if I do not go away, the Helper, the Comforter, will not come to you; but if I go, I will send Him, the Holy Spirit, to you. John 16:7. Many have confessed Jesus Christ as Savior and have the assurance of eternal life. However, due to an inadequate fellowship with the Holy Spirit, many Christians are experiencing a dysfunction in attaining the peace of God that salvation offers. This is a growing anomaly in the Christian faith. The Comforter has been sent by Jesus Christ to engage the daily life of every believer. However, fellowship with the Comforter is often hindered by a complacency from those whom He came to help. In *The Comforter Has Come*, the author aims to heal this growing dysfunction in the body of Christ. It features twelve fundamental components of the daily activity of the Holy Spirit from biblical data. A serious analysis of each component will serve to enrich Christians in achieving a wholesome appreciation for the Holy Spirit on a daily basis. Furthermore, an intentional interaction between the believer and the Holy Spirit will be discovered.

The Bible Knowledge Commentary: Minor Prophets John F. Walvoord, Roy B. Zuck, 2018-03-01. God's Love and Justice on Display. What do we know about the date of Joel's ministry? How do the warnings of Malachi relate to the Book of Revelation? How did Amos's profession as a rancher influence his prophetic voice? Drawing on the research of internationally known Bible scholars, this detailed commentary looks at each verse of the final books of the Old Testament. The words of the minor prophets draw us closer to God by teaching us about His enduring love, His judgment to the unfaithful, and mercy to the repentant, and His call to restoration for people who have suffered. Covering every book from Hosea through Malachi, this commentary shows the meaning behind these powerful prophecies while reminding us how ordinary people spoke extraordinary truth on behalf of a loving and just God.
