Bible New English New Testament:

Biblical Studies on the Internet Roland H. Worth, Jr.,2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use

The New English Bible. New Testament Bible,1961 *The New English New Testament* Christopher Stephen Mann,1961 The Making of the English New Testament Edgar Johnson Goodspeed,1925 Nordic Interpretations of the New Testament Louise Heklgaard Bylund,René Falkenberg,Marianne Bjelland Kartzow,Kasper Bro Larsen,2020-09-07 This volume brings together contributions from the ongoing conversation among New Testament scholars from the Nordic Countries namely Denmark Iceland Finland Norway and Sweden The aim is to challenge the New Testament texts and their interpretations but also to be challenged by these texts and interpretation i e how to read interpret and contextualize the impact of these texts and how to conceptualize the power and authority attributed to them As neighbours in peripheral Europe partly sharing language and history scholars of this region also aim to participate in the broader international discourse The fact that their common academic language is English begs the question whether many of the current essays could have been written in different settings since they do not explicitly reflect on contextual issues Or is this the case What characterizes that part of the world are social democracies with relatively high standards of living a strong protestant past but an increasing multicultural population public welfare systems and gender equality Public universities still have money and can prioritize mobility and internationalisation accordingly although few people live in the Nordic countries relatively many biblical scholars have roots there
