Enriching Christian Doctrine and Character Ph. D. Michael J. Akers, Akers, 2009-03 God exists as God the Father God the Son and God the Spirit We are God's people who relate to God in each of these manifestations Thirteen key topics have been selected that cover basic Biblical doctrine on these four descriptors of whom God is and who we are as His children Each of the fifty-two Biblical topics contain sufficient Scriptural references to enable the reader to fill an entire week looking up each Scripture and learn more deeply about what it is being taught from God's Word Each study contains questions for discussion somewhere in the text or as a separate list and concludes with at least one memorable quote May each person spending time with this material be blessed by what the Holy

Spirit does through these words of learning May you not only learn a great deal but also apply what you have learned in serving the Lord by serving others *Studies in the Teachings of Jesus Christ and His Apostles* Edward Increase Bosworth,1905 **The Guide to Religious and Inspirational Markets** ,1995 One Disciple to Another Richard Epler,2015-06-26 The book of Revelation says the bride of Christ made herself ready After decades of study with a broad variety of churches the author returned to the very words of the Master to investigate what he taught Do we deceive ourselves when we believe we are in a relationship with Jesus by doing as others have told us Do we need to first become disciples of Christ who abide in the words that the original disciples said lead to life eternal What are the terms and meaning of love according to the Master Teacher What is the message that he said must be believed to be his disciple He called us to be disciples not Christians Seven premises are set forth from what God and Christ had to say about several key elements of the gospel to show that what many Christians believe may not be in accord with the words of God or Christ Studies include information from the King James Version Hebrew scriptures Dead Sea Scrolls Damascus Document and the Aramaic English New Testament Be prepared to set aside any beliefs that are not founded upon the very words of God and Christ No one will ever need to repent of believing the words of God or the words of His only begotten Son the Desired One on whom God placed His Spirit to speak the very words of God directly to mankind Discover what God said you were created to be and how you can get there starting today Man shall not live by bread alone but by every word that proceeds from the mouth of God Matthew 4 4 **The Bible Study Union Lessons** ,1912 *Christian CoreStrength* Andrew W. G. Matthews,2013-04-12 The great commission of Jesus Matthew 28 16 20 calls Christians to make disciples of all nations unfortunately the churches Christian education programs haphazardly and unsystematically attempt to grow up believers in the Lord Christian CoreStrength has been written to provide a plan of learning that progresses in an orderly fashion and covers every major doctrine and practice of Christianity The church also needs to be making disciples who can then turn around and make other disciples The reality is that the average Christian does not know where to start with discipleship The purpose of Christian CoreStrength is to put a tool into your hands so that you have the means to take someone under your care and teach them the faith Christian CoreStrength follows a one year plan 52 lessons to teach the Christian faith in such a manner that key doctrines are taught and important Bible passages are studied to lay a solid foundation of faith Christian CoreStrength is divided into five major sections Core Beliefs the foundation of essential truths Such a Great Salvation the doctrines of salvation from election to glorification A Closer Walk with God the practical living aspects of the Christian faith Church Life the doctrine and practice of the church Thinking Deeper an examination of deeper theological and world view issues Each lesson is two pages long and can be used in a variety of contexts Self Study One on One Small Group Sunday School and Leadership Training **Christian Discipleship Guide** Charles Zonca,2017-10-21 This guide is an excellent resource for church planters pastors of new churches pastors of established churches and missionaries who want to give their

congregations a solid foundation in fundamental Bible doctrine Christian churches in the Philippine Islands are already using this Christian Discipleship Guide to teach the fundamental doctrines of the Bible to new Christians new pastors evangelists and missionaries

Dimensions of Discipleship Roger D. Johns,1991-12 **Foundations** Dr. James Ross,2010-07-10

FOUNDATIONS takes an in depth approach to the design and function of ministry and discipleship We find in the modern Church a great need for discipleship and spiritual training Many believers who know to do good struggle in their daily spiritual life as they long for an expression of overcoming faith FOUNDATIONS leads the reader into a meaningful recognition of their place in Christ He is our righteousness and God s grace and goodness leads every saint into a repentant and firm faith There are two kinds of knowledge spoken of in the Bible which are information and application Information is knowledge that puffs up 1 Corinthians 8 1 due to the potential it has to lure people into believing that the more information they have about the Bible the more mature they are Hosea speaks about the second type of knowledge when he wrote My people are destroyed for lack of knowledge He was expressing our need for the application of God s word that is necessary for the salvation of our souls and the impartation of Christ likeness every Christ needs The application of spiritual truth is the key to an overcoming faith and a renewed mind Because of this FOUNDATIONS offers a functional approach to Discipleship and spiritual training which develops the believer s ability to stand firm in the faith they profess With this in mind Solomon asked God for an understanding heart i e a hearing heart 1 Kings 3 9 because he understood that in order for anyone to be inclined toward wisdom they had to first hear God FOUNDATIONS is designed to help the believer mature in their faith by expanding their ability to renew their mind while they develop an understanding heart so they can learn to hear the Holy Spirit in a clarifying way Every saint must mature in their ability to hear God as they read the Bible and listen to the Holy Spirit and this is more readily accomplished through the discipleship process and through spiritual growth FOUNDATIONS is an exegetical study that was compiled over twenty eight years of pastoral and ministry experience It is a study of the Scripture that dives deeply into the ways of God as it also expounds on many of the principles practices and doctrines found in the Scriptures FOUNDATIONS is a practical tool for the serious disciple and an aid for every Church leader
