**Biblical Answers to Personal Problems** Stephen F. Olford,1991-01-01 Bibliographic Index ,1991 The Christ-Centered Expositor Tony Merida,2016-10-01 The Christ Centered Expositor by pastor and preaching professor Tony Merida provides a comprehensive overview of effective expository preaching that begins with the inner life of the expositor and then moves to the essential elements of sermon preparation and delivery Ideal for pastors teachers and students The Christ Centered Expositor will equip you for greater faithfulness to God his Word and his mission **God, Revelation and Authority (Set of 6)** Carl F. H. Henry,1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **How Effective Sermons End** Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light **American Book Publishing Record** ,1992 **Intellectual History and Culture Wars in Central and Eastern Europe in the Light of Modern Theories of Religion** Bojan Žalec, Stjepan Štivić , The book addresses events in the Slovenian lands and the broader Central European context from the second half of the 19th century to the beginning of the Second World War It focuses on phenomena and personalities in the field of religion which cannot be fully understood without considering other aspects processes and events in the areas of culture art politics and more which the book s authors thoroughly explore This makes the book an interdisciplinary work that integrates approaches from theology religious studies philosophy historiography cultural studies and related fields into a coherent whole This comprehensive approach offers an understanding that transcends these individual disciplines shedding new light on the events discussed **A Theology of Paul the Apostle, Part Two** G. Roger Greene,2023-07-12 The legacy of Paul looms large in all Christian theology The New Testament and the Christian world itself would be a very different place apart from the impact of the apostle Paul The work Theology of Paul the Apostle is presented in two parts Attention is given in each

volume to the foreground matrix of the place of Paul within historical Christian interpretation Part One Paul s Eschatological Gospel addresses matters relevant for Paul s appreciation of the gospel of God in the establishment of the eschatological community in Christ Part Two Cross and Atonement addresses the more specific and particular issues within Paul s gospel that have been a storm center within theological discussion The present writer finds Paul to be one who embraces the gospel of God in Christ the resurrection being the turning point of the ages that calls for a cruciform imperative of Christian identity and living in an eschatological age of fulfillment Paul s theology and cross imperative has continuing relevance within the very different matrix of a postmodern world **Christianity in Its Modern Expression** George Burman Foster,1921
