Biblical Discipleship:

Biblical Discipleship: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature. How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church. Sadly, what discipleship meant in the time of Christ and what it means today is vastly different. Moreover, the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were Fishers of Men, 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that. Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on, useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a how-to book. It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity. So, are you ready to grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant, when you arrive in heaven"? If so, this book is for you. John A. Copper, 2020-03-10 During his years of pastoral teaching ministry, Pastor John has bemoaned the erosion of the Church of Western Civilization in general and the American culture in particular. Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions. The role of the church is to persuade individuals to establish a philosophy of authentic discipleship. This book challenges the church to walk humbly before God as genuine disciples. The primary focus is to carefully follow Christ's mandate of the Great Commission in Matthew 28:18-20: "Go and make disciples." More importantly, the book describes how the church can effectively use different methods and principles to better prepare believers for Christ.

Following Jesus Christ John K. Goodrich, Mark L. Strauss, 2019-11-19. A Comprehensive Guide to Discipleship in the New Testament and Today's World. Although the concept of discipleship is an integral part of New Testament teaching, it has largely faded from discussion in both the academy and the local church. To revive and reclaim this teaching for believers in the twenty-first century, editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship, providing a comprehensive biblical picture. In addition, other contributors explore discipleship in the context of the local church, spiritual formation, and the life of the mind. Together, these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives. An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy. Rich with insight, *Following Jesus Christ* represents a major advance in this essential area of study. Craig A. Evans, Houston Baptist University.
