Calvin,Alexander Maclaren,D.L. Moody,2013-10-20 This ebook version of The Biblical Illustrator Pastoral Commentary on
Romans contains nearly 3800 pages of commentary What if Charles Spurgeon helped you prepare next Sunday s sermon Or
what if you could talk over your preaching with Joseph Parker Richard Baxter Henry Ward Beecher and H P Liddon Do you
think it would make a difference to get the input of some of the greatest preachers who ever lived That s precisely what
Joseph Exell had in mind when he put together the massive series of volumes called The Biblical Illustrator In what can only
be called a Herculean feat he spent years gathering preaching notes and sermon outlines from the very best preachers of his
day in the late 1800s and early 1900s and he did it covering every book of the Bible And it is amazingly comprehensive Exell
approached his task by taking every verse in the Bible and seeking to discover how it has been preached in the past Though
there is plenty of exegetical material here this is not primarily a commentary This series is for preachers teachers Bible
students and anyone else looking for penetrating pastoral insights from some of the all time greats of the faith The
Publisher ,1909 **The Publishers' Circular and Booksellers' Record** ,1911 **The Image of God: Lost and
Recreated** Otis Gouty,2019-09-27 This is a book that demonstrates how a person can get the image of God Adam and Eve
were created in the image of God but lost it They were given freedom of choice Unfortunately they rejected God and chose
the way of Satan which has been passed on to all of us down through the centuries from parent to child The Bible is accepted
as truth Every step of the way taken here is documented by the Bible Scientific discoveries are introduced to form a basis for
understanding and to compliment biblical references Children born after Seth were born in the evil image of Adam and Eve

God was so deeply grieved by the evil intentions of Seth's descendants that he sent the flood to destroy all of mankind. Noah was favored by God but even so he was still of the lineage of Seth. The Old Testament is filled with the sinful acts of God's chosen children but the faithful, unchanging God had a plan which He brought to pass in the person of Jesus. This book provides a penetrating and dramatic picture of how God has implemented His plan to the present time. *The English Catalogue of Books*, 1891. *Bookseller*, 1888.
