Rogers,2017-04-14 This book seeks to clarify and demonstrate the incalculable and injurious influence that progressive education has had and is having upon preaching thinking Christianly and the local church Progressive education began at the turn of the twentieth century replacing classical education with what is purportedly a science based education which necessarily results in scientism This seismic shift in public education has not only affected what we learn but how we think In order to enable the church to detect progressivism s deleterious sway and protect herself by being equipped with the progressive revelation of God and thereby counter the influence of progressive education of man I seek to highlight some of the underlying intolerable essentials of progressive education In the companion book to this one The Equipping Church Somewhere Between Fundamentalism and Fluff I explain the biblical model for the local church and how to build such a church **United States of America, Government, Religion, Christianity, Law, Illegalities; God 1st Priority~His Rightness, Provided Rights, Holy Bible; Not Self-Idol Selfishness.** Anthony Sheffield,2017-03-09 Every concerned citizen will enjoy and be very encouraged by the good and accurate historical records of the United States of America Lies have infiltrated so vastly and so deeply into the society that even the educational institutions have become deceived and warped so that the students are then receiving passed down versions that are as said lies Some folk are deceived innocently some willingly some know it and want it Many folk are so busy with all the cares of life that they passively accept it A false peace has set in and yet it is not peace as we are so alertly observing Values of the heart need care as to whether they are right values and those values are then displayed by posts of the government Every citizen needs to know what the true historical experience and record is what governmental structure was established in the USA what it is all about and how it really is and operates Because we are all interested in the spiritual activity of life then we will be so inspired therein This is a very different and correct account of the real USA Government its history and its establishment *Biblical Solutions to Contemporary Problems* Rus Walton,1988 One Nation Under God Rus Walton,1993 This book provides a valuable survey of God ordained authority in the family church and civil government and a discerning analysis of major societal issues in the light of God s Word The New Religious-political Right in America Samuel S.
