The Holy Lands Mark Foster, 2019-02-22 From the prophets to the apostles Genesis to the Apocalypse Moses to Saint John take a pictorial journey through the Holy Land and experience some of the major sites of the Bible The ancient port of Jaffa is where the journey begins From there the road leads to what's been called the navel of our world Jerusalem The noisy chaos in the streets and alleyways alongside the hushed reverence of its sacred places The pure magnetic pull of faith clashing with the crassness displayed by the street side shop owners To the immediate east of Jerusalem lies the Valley of Jehoshaphat or God will Judge also known as the Kidron Valley The place of the Last Judgement Forming the Eastern side of this narrow valley the Mount of Olives rises The Western side is crowned by Mount Moriah location of Solomon's and Herod's temples now graced by the superb Dome of the Rock Up the Mediterranean coast the well preserved Caesarea marks the sea side palace where King Herod's pride caused an agonizing death eaten alive from the inside by stomach worms Bethlehem the Sea of

Holy Land Felicity Cobbing,David Jacobson,2010-01-10 This collection of 300 mono and colour photographs and illustrations from the archives of the Palestine Exploration Fund in London many of which have never appeared in print With detailed anecdotal captions these images highlight the places of Judeo Christian pilgrimage and worship in the Holy Land from around 1860 to 1920 *Bible Places, Or, The Topography of the Holy Land* Henry Baker Tristram,1878 **The Call**

of Jerusalem Tan Nget Hong,2023-11-16 Reading *The Call of Jerusalem* from three different perspectives It's been almost 20 years since I first read Prof Tan Nget Hong's first edition of *The Call of Jerusalem* At that time I did not know Prof Tan personally nor had I heard about him However after reading this book I wanted to make a phone call to him to express my appreciation of the book Unfortunately the phone call did not get through at that time Over the past decade or so Prof Tan and I have become close friends and partners in the ministry of Caring and Comforting God's chosen people On 27 and 28 October 2015 both of us were workshop speakers at the Caring for God's Chosen People Mandarin speaking seminar held in Kuala Lumpur Unexpectedly the attendees filled the main Worship Hall of Kuala Lumpur Hokkien Methodist Church We believed that this was the first time that a public meeting on the theme of Caring for God's Chosen People was held in Malaysia It is indeed a great honor that we can contribute to promoting the ministry of Caring for God's Chosen People among the Malaysian Chinese churches To this day we still remember vividly the feeling of excitement in our hearts throughout the seminar and we are indeed grateful to the Lord that we could be used by Him in this ministry I am very glad to learn that Prof Tan is publishing an updated e version of this book and believe sincerely that reading this book will bring many benefits to the readers Since his first visit to the Holy Land in 2000 Prof Tan has made many trips to the Holy Land in the past 20 years As a free independent traveler he has opportunity to make meaningful visits to most biblically related places in the Holy Land and this book is the product of his observations research and meditations during his visits to the Holy Land over the past 20 years Although today there are already many Chinese books about the Holy Land this book still has its own unique features and deserves to be carefully read by believers First of all this book can be regarded as a very comprehensive handbook for the travelers to the Holy Land and it serves both as a reference and a travel guide for those who are visiting the Holy Land The destinations described in this book cover almost every Christian must visit site in the Holy Land The author's explanation of each biblical site is very detailed including the historical geographical and cultural aspects

as well as current background In addition the author provides many practical guidance and suggestions for the reader based on his own rich personal experiences The tips provided can also save first time visitors to the Holy Land from many unnecessary hassles including the trap of being deceived by unscrupulous tour guides This book can also be read as a devotional Readers not only read about the author s narratives of the scene and background of the biblical sites but also his pastoral teachings exhortations and relevant prayers For as an elder of the church Prof Tan always shares with readers the relevant biblical facts and teaching God s will and the love of Christ At almost every biblical site the author quotes appropriate Scripture to help the reader connect with the teaching of the Bible Believers who visit the Holy Land with this book in hand will feel that they not only enjoy the benefit of a personal guide to explain the significance and background of the biblical sites but also receiving sound teachings of the Bible by an Elder with spiritual understanding The last portion of the book reveals the author s deep concern for the salvation of God s chosen people as he exhorts believers to share God s desire for the redemption of the Jews May the apostle Paul s prayer become the prayer of every believers Brothers and sisters my heart s desire and prayer to God for the Israelites is that they may be saved Rom 10 1 This is also the burden that I share with the author Our life mission is to make people know Christ and fulfill the Great Commission through our speaking or writing and in this the Jews should have the priority because salvation is from the Jews as Paul says in Romans For I am not ashamed of the gospel for it is the power of God for salvation to everyone who believes to the Jew first and also to the Greek Rom 1 16 Therefore this book can be read from three different perspectives 1 As a Holy Land travel guidebook for Christian travelers 2 As a devotional aid for Christian spiritual discipline 3 As an introduction to Missions to the Jews I pray that the Lord may use this book as a blessing for every reader

public square Even archaeological controversies normally confined to the pages of obscure journals are considered newsworthy when they touch on biblical themes people or places However scholars are not always equipped to handle this sort of attention Thus the conference published in this book was organized to bring scholars into conversation with representatives of the media and to help them become better prepared to address the general public Participants included the print media and the visual media as well as academics The relation between archaeological controversies and Middle East politics emerged as a fraught subject in several essays with the situation of the City of David in Jerusalem as a case in point Other essays consider looting in Iraq and in other regions in the Middle East and highlight the legal and moral issues involved for when legal norms recognized in international law and archaeological standards are violated chaos reigns This volume opens a dialogue between scholars and the media providing both with perspectives that will enable them to become better at communicating what they do to a wide audience And it offers lay communities who learn about archaeology and the Bible through the popular media information that will make them more sensitive to the way discoveries and issues are presented
