

Bibliography of oral history sources in the regions of the former Yugoslavia

An outline of oral history projects and individual publications based on war experiences in the Balkan regions Bosnia Herzegovina, Croatia, Kosovo, Serbia, Slovenia, Montenegro and Macedonia.

This bibliography is divided into two parts. The first part consists of projects aimed at creating oral history collections, which is an archival effort to document historical themes in a broad sense. The second part lists research projects of individual scholars who have used oral history as the central method to gather their data. Both parts are arranged in geographical order. The information has been gathered by consulting the internet for open access sources and moreover gathered by consulting oral history specialists such as Selma Leydersdorf, Stef Scagliola and finished master student Laura Boerhout. An email has been send out to a number of projects for additional information..

Keywords: interview projects Bosnia Herzegovina, Kosovo, Croatia, oral history projects, war testimonies Balkan, survival testimonies Bosnia and Herzegovina

Another popular platform for Bibliography Of Sources On Yugoslavia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Bibliography Of Sources On Yugoslavia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Bibliography Of Sources On Yugoslavia books and manuals for download and embark on your journey of knowledge?
