More Important Than the Music Bruce D. Epperson,2013-10-01 Today jazz is considered high art America s national music and the catalog of its recordings its discography is often taken for granted But behind jazz discography is a fraught and highly colorful history of research fanaticism and the intense desire to know who played what where and when This history gets its first full length treatment in Bruce D Epperson s More Important Than the Music Following the dedicated few who sought to keep jazz s legacy organized Epperson tells a fascinating story of archival pursuit in the face of negligence and deception a tale that saw curses and threats regularly employed with fisticuffs and lawsuits only slightly rarer Epperson examines the documentation of recorded jazz from its casual origins as a novelty in the 1920s and 30s through the overwhelming deluge of 12 inch vinyl records in the middle of the twentieth century to the use of computers by today s discographers Though he focuses much of his attention on comprehensive discographies he also examines the development of a variety of related listings such as buyer s guides and library catalogs and he closes with a look toward discography s future From the little black book to the full featured online database More Important Than the Music offers a history not just of jazz discography but of the profoundly human desire to preserve history itself [Bibliography of Discographies: Jazz](#)

Michael H. Gray,Gerald D. Gibson,1977 [The Harvard Guide to African-American History](#) Evelyn Brooks

Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

Bulletin of Bibliography ,1989 These six plays span nearly twenty years of theatre and display the range of Lillian Hellman s dramatic gifts The Children s Hour 1934 her first play was considered shocking at the time it concerns the devastating effects of a child s malicious charge of lesbianism against two of her teachers Days to Come 1936 is about the tragic consequences of strike breaking in a small Midwestern community The Little Foxes 1939 and Another Part of the Forest 1946 together constitute a chilling study of the financial and psychological conflicts within the Hubbards a wealthy and rapacious Southern family Watch on the Rhine 1941 the story of how fascism affects an American family and the refugees they harbor won the New York Drama Critics Circle Award The Autumn Garden 1951 is a poignant yet humorous drama set at a summer resort near New Orleans
