Bibliography Of Eighteenth Century English Literature:

Bibliography of Eighteenth Century English Literature Frederic Ewen, 1967 [Backgrounds to Restoration and Eighteenth-Century English Literature](#), 1989-02-21 In this time of proliferating scholarship one of the most welcome publications is this intelligently selected and annotated bibliography of secondary material Understanding the value of selectivity Spector has limited his entries to books and significant articles Perhaps because of his avowed interest in redefining the period he has been careful to include articles on historiography and critical method which apply to the eighteenth century He has not however slighted the older works of twentieth century scholarship A valuable resource not only to students of literature and related fields but to anyone interested in learning about the eighteenth century Analytical philosophy science aesthetics education and language in addition to literary criticism The author begins with a thoughtful examination of the history of Restoration eighteenth century scholarship Divided into 22 subject categories the bibliography presents annotated listings of existing bibliographic sources and noteworthy books and articles published since the late 1920s This authoritative new work allows the reader to explore the cultural climate that influenced the activity of writing and to understand the complex forces that shaped the period and its literature The bibliography is an appropriate choice for literary reference collections in academic and public libraries **Eighteenth Century English Literature and Its Cultural Background** James E. Tobin, 1967 [Eighteenth-century English Literature](#) Louis A. Landa, 1950
