Bibliography Of Religion In The South:

Bibliography of Religion in the South Charles H. Lippy, 1985 *The South and the North in American Religion*
Samuel S. Hill, 2007-12-01 In this comparative history of religious life in the South and the North Samuel Hill considers the religions of America from a unique angle Tracing the religious history of both areas this study dramatically shows how a common religion was altered by hostilities and then continued to develop as separate entities until recently Coming almost full circle both North and South now find their religions again to be highly similar Two factors Hill believes were major influences in the diversification of the regional religions the presence of Afro Americans as an underclass of people with a distinctive role to play in the development of southern religious life and the presence or absence of a large immigrant population Hill s overall purpose is to answer the questions How did there come to be a South without which there would not have been a North Why is the South the heartland of Evangelical Protestantism and a kind of Bible belt What historical developments dispatched the two regions on distinctive courses religiously and otherwise How much interaction has there been between the religious institutions of the two regions How similar and divergent have the cultural patterns styles and values been in the South and the North

Christianity in South Africa David Chidester, Judy Tobler, Darrel Wratten, 1997-08-07 In all its diversity Christianity has been a powerful force in South African life From the history of colonial missions through the development of denominations to the emergence of African initiated churches Christianity has assumed a variety of distinctively South African forms This comprehensive guide offers detailed reviews of over 600 works that have established the importance of Christianity in South African history society and religious experience Of interest to scholars and students of religious studies cultural anthropology African Studies and history this volume together with African Traditional Religion in South Africa and Islam Hinduism and Judaism in South Africa both Greenwood 1997 will become the standard reference work on South African religions In each section Christian Missions Christian Denominations and African Initiated Churches an introductory essay identifies significant themes in the literature The annotations are concise yet detailed essays written in an engaging and accessible style and supported by an exhaustive index The book therefore provides a full and complex profile of Christianity as a religious tradition in South Africa

South Asian Religions in the Americas John Y. Fenton, 1995-02-28 The first survey and assessment of nearly all published materials concerning South Asian religious traditions in the Americas this bibliography brings the field together under a synoptic view and critically depicts South Asian religious traditions from the multi optic perspective of 925 publications The work sets the parameters of an emerging field of scholarly research the study of transplanted religious traditions and defines a sub field of the research the religions of South Asian immigrants in the western hemisphere For years to come this study will define the discipline be the primary bibliographical resource and provide the most comprehensive description of South Asian religious traditions in the Americas Chapter One evaluates the scholarship that has been produced about these transplanted traditions noting

subject areas that are reasonably well covered while pointing out research opportunities that remain to be exploited Chapter Two reviews bibliographical resources for all the Americas Subsequent chapters provide content summaries and critical evaluation for publications before 1960 general studies of the South Asian immigrant population periodicals and newspapers Hindus Muslims Ismailis Sikhs Jains Christians Jews Zoroastrians Buddhists and others in the United States Canada the Caribbean and South America The volume offers evidence that South Asian religious traditions develop fundamentally new traits overseas according to the conditions of the host country Further in America it concludes that Asian religious traditions are now American religious traditions contributing to a new American religious pluralism that fundamentally alters the religious milieu of America

Redeeming the South Paul Harvey, 1997 Together and separately black and white Baptists created different but intertwined cultures that profoundly shaped the South Adopting a biracial and bicultural focus Paul Harvey works to redefine southern religious history and by extension southern c

Southern Missions Charles Reagan Wilson, 2006 Southern Missions places the religious history of the American South in a global context The global connections of southern religion reflect a tradition within the American South that historians have failed to examine This study sweeps from the diversity of Christian and Jewish groups in the colonial South to the contemporary migration of ethnic groups and their religious traditions previously little known in the South Perhaps most notably gender emerges as a key analytical category for understanding the global reach of religion in the American South Philip Jenkins Professor of History and Religious Studies Pennsylvania State University

African Traditional Religion in South Africa David Chidester, Chirevo Kwenda, Robert Petty, Judy Tobler, Darrel Wratten, 1997-08-07 In a changing South Africa recovering the meaning and power of African tradition is a matter of crucial importance This work participates in that recovery by providing a comprehensive guide to research on the indigenous religious heritage of this dynamic country Detailed reviews of over 600 books articles and theses are offered along with introductory essays and detailed annotations that define the field of study This work plus two forthcoming volumes *Christianity in South Africa An Annotated Bibliography* and *Islam Hinduism and Judaism in South Africa An Annotated Bibliography* will become the standard reference work on South African religions Scholars and students in Religious Studies Social Anthropology History and African Studies will find this set particularly useful This work organizes and annotates all the relevant literature on Khoisan Xhosa Zulu Sotho Tswana Swazi Tsonga and Venda traditions The annotations are concise yet detailed essays written in an engaging and accessible style and supported by an exhaustive index which comprise a full and complex profile of African traditional religion in South Africa

Islam, Hinduism, and Judaism in South Africa David Chidester, Judy Tobler, Darrel Wratten, 1997-08-07 A comprehensive guide to three global religions that have established strong local communities in South Africa this work is a valuable resource for scholars students in

religious studies African studies anthropology and history Beginning with a general introduction to the immigrant origins minority status and global connections of each tradition the book proceeds to organize and generously annotate the literature according to religion This volume combined with two other annotated bibliographies African Traditional Religion in South Africa and Christianity in South Africa both Greenwood 1997 will become the standard reference text for South African religions With special attention to historical and social conditions this work examines the distinctively South African forms of these important minority religions in South Africa In each section an introductory essay identifies significant themes The bibliography annotations that follow are concise yet detailed essays written in an engaging and accessible style and supported by an exhaustive index The book therefore provides a full and complex profile of three religious traditions that are firmly located in South African history and society

A Selected Bibliography and Syllabus of the History of the South, 1584-1876 William Kenneth Boyd, Robert Preston Brooks, 1918 *A Selected Bibliography of Missionary Literature*, 1912 **Encyclopedia of Religion in the South** Samuel S. Hill, 1984 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than twenty years the only reference book in the field of religion in the South has been totally revised and updated Each article has been updated and the bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on religion in the South New articles have been added on such topics as Elvis Presley Appalachian music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson popular religion Pat Robertson the PTL sports and religion in the South theme parks and much more **BOOK JACKET Library of Southern Literature: Biography**, 1909 Library of Southern Literature: Biography Edwin Anderson Alderman, Joel Chandler Harris, Charles W.
