Bicycle Man:

The Bicycle Man Allen Say, 1989-03-27 The amazing tricks two American soldiers perform on a borrowed bicycle are a fitting finale for the school sports day festivities in a small village in occupied Japan

Icon's Request Gareth Wiles, 2012-04-26 Icon's Request is the gripping follow up to I Am Dead by thriller sci fi novelist Gareth Wiles in which Peter Smith created a world ravaged by madness The mysterious Reaping Icon is collecting psychopaths for his games and requests the pleasure of Peter In his life since I Am Dead Peter is a murderer driven insane by the book he wrote However when Reaping Icon casts him into another reality it ironically gives Peter a fresh chance to start anew But how many people must suffer around him as the world rejects this path and how many times can he dodge death as everyone is out for blood In part one Reaping Icon collects his psychopaths and we get a snapshot of their disturbed lives just prior to his arrival In part two Peter Smith's memory is wiped and he finds himself embroiled in a murder investigation hunted by both the police and the psychopaths who are following Reaping Icon's request In part three we learn more about what happened just after the events of I Am Dead and the devastating effect it has had on the universe In part four Peter is once again hunted by psychopaths and involved in yet more bizarre seemingly random murders Will he regain his memory in time or will remembering who he really is be his ultimate downfall Icon's Request which has been inspired by Joseph Conrad Franz Kafka and Albert Camus will appeal to fans of sci fi fantasy fiction who question the madness and randomness of modern society It delivers real people struggling with real problems mixing fantasy and crime to demonstrate how close all our lives are to the fantastical and how the lines between reality and fiction can be easily blurred

Sleeping Dogs S. A. Baker, 2024-10-22 In the heart of Winterbourne where the whispers of the past echo through the streets a chilling discovery awaits Danny and his loyal dog Jack stumble upon a grim secret hidden within the tall grass of Millar's field The body of a young boy Billy Anglin lies there a silent witness to a horror that has haunted the town for decades Danny a ward of the foster system knows all too well the harshness of the world Yet in the midst of his own struggles he finds himself at the centre of a mystery that defies comprehension With each passing decade a child is taken their life snuffed out by a force that remains elusive The townsfolk whisper of a creature something hungry that stalks the night leaving a trail of terror in its wake Detective Floyd Guthrie an adult friend to Danny is a beacon of hope in the boy's tumultuous life Guthrie is a reluctant mentor drawn into the darkness that surrounds Danny Together they navigate the treacherous waters of Winterbourne where the line between predator and prey blurs As the investigation deepens the bond between Danny and Guthrie strengthens a fragile alliance against the encroaching shadows But the truth is a slippery thing and as they delve into the murky history of the town they uncover a ritual as old as Winterbourne itself A ritual that demands the blood of the innocent a sacrifice to a hunger that can never be sated Sleeping Dogs is a tale of loss resilience and the unyielding quest for justice It is a story of a boy and his dog a detective and his duty and a community haunted by a past that
