

Big Bend Country

Carlisle Graham Raht

Big Bend Country:

Big Bend Country Ross A. Maxwell, 1986-02-01 *The Big Bend Country of Texas* Virginia Madison, 1968 My primary purpose in telling the region's story is to preserve as many of the old timers stories as possible and to corral them between the covers of one book Some of the best loved legends and yarns have more than one version and have been told before in one way or another by Alice Jack Shipman Barry Scobee Carl Raht J Frank Dobie Cas Edwards and others With their permission I have retold some of the stories and have added many talks which never before have been published Most of the cattlemen prospectors miners outlaws local police officers and Texas Rangers who made up the Big Bend's population back in the 1880s have gone on to the Big Bend up Yonder Most of those stories I tell here I knew personally and I recorded their accounts as we talked in their homes sitting in living rooms at well filled dining tables on back steps or on front porches The author's preface

Big Bend Country Fred M. McCarty, 1968 *A Guide to Big Bend Country* Fred M. McCarty, 1968

The Story of Big Bend National Park John Jameson, 1996 Describes the development of Texas's Big Bend National Park as well as the controversies that have shaped it over its first fifty years

Big Bend Country Kenneth Baxter Ragsdale, 1998 Having first visited the Big Bend in 1928 Kenneth B Ragsdale has been digging around in and writing about the region for decades In *Big Bend Country Land of the Unexpected* he takes a nostalgic retrospective journey through the times and places of this increasingly popular corner of West Texas to say goodbye to those who made the history created the myths and lived the legends Building his stories around themes of compassion conflict and compromise he profiles both famous and relatively unknown figures He tells stories of curanderas healers charity workers a woman who practiced medicine without a license and another who started a private lending library in her store to encourage rural poor children to read In contrast to these stories he chronicles blood feuds shootouts and the violence bred in wild relatively lawless spaces Ragsdale's stories cover a half century roughly 1900 to 1955 from wagon trains to the filming of an epic movie a time in which the face of the Big Bend changed the quicksilver mines closed a national park was established isolation and cattle gave way to vacation ranchettes and tourists *Big Bend Country* is a well done and useful work and should be welcomed by all lovers of that wonderful country Dallas Morning News If you've never been to Big Bend Ken Ragsdale's new book will make you want to go there Austin American Statesman

[How Come It's Called That?](#) Virginia Madison, Hallie Crawford Stillwell, 1968 [Driving Southwest Texas](#) Byron Browne, 2011 West of Austin lies Big Bend Country A region of rich history that still resembles the old frontier Southwest Texas epitomizes the mystique and allure of this grand state From the sweeping desert vistas to the canyons of Big Bend National Park the geography itself is nothing short of incredible Whether it's discovering historic Fort Davis sharing in Annie Riggs's legacy or watching the Marfa Lights a treasure awaits every traveler in this land Join historian and travel writer Byron Browne as he and his wife Angie explore the sights and stories of this unique and charming piece of the Lone Star State

[Land of the Desert Sun](#), 1998 D Gentry Steele chronicles the experiences he had while photographing

Texas's Big Bend region and black and white photographs capture the beauty of the area *The Big Bend Country of Texas and Big Bend National Park*, 1950* Big Bend Country (Texas) - Wink Travel Guide Wink Travel Wink Travel Guide, 2019-10-07 Big Bend Country is a region in Texas. It is also referred to as the Big Bend region. The Big Bend area of Texas represents one of the last vestiges of open frontier that once encompassed the entire state. Outside of the major cities, the area is largely unmolested by development; one can experience a small taste of what the unexplored state once resembled. Geography varies widely from wide open prairie grasslands to vast desert expanses. Far western Texas is quite mountainous; it is home to Guadalupe Peak, the highest point in Texas. The flatlands of the Permian Basin remain a center for petroleum production for the US. The wildlife is also representative of an outsider's expectation; during the daytime hours, it is not unusual to see a roadrunner or armadillo wandering alongside the road, and at night, the far away wail of a coyote is commonplace. Wink Travel Guides introduce you to the best world travel destinations in a clear and concise way, illustrated by photos. The Big Bend National Park Ross A. Maxwell, 1948 Illustrated History of the Big Bend Country Richard F. Steele, *Big Bend National Park, Texas* United States National Park Service. Division of Publications, 2023-10-27 In Big Bend National Park, Texas, by the United States National Park Service. Division of Publications, readers are taken on a comprehensive journey through the geological, ecological, and historical aspects of this remarkable national park. The book meticulously details the unique flora and fauna, the diverse terrain, and the ancient indigenous cultures that have called this region home. Written in a concise and informative style, this book serves as a valuable resource for anyone interested in the natural wonders of Big Bend National Park in Texas. The detailed descriptions and stunning photographs bring the park to life, making it a must-read for nature enthusiasts and conservationists alike. The inclusion of maps and practical information adds to the book's appeal, making it a useful guide for visitors planning a trip to the park. Authored by the United States National Park Service, Division of Publications, this book reflects the organization's dedication to preserving and promoting America's national parks. With a wealth of experience and expertise in park management and conservation, the authors provide readers with well-researched and authoritative information on Big Bend National Park. Their passion for environmental stewardship and their commitment to educating the public shine through in this meticulously crafted book. I highly recommend Big Bend National Park, Texas, to anyone interested in exploring the natural beauty and cultural heritage of one of the most stunning national parks in the United States. Whether you are a seasoned hiker, a wildlife enthusiast, or a history buff, this book will enrich your understanding of this unique landscape and inspire you to protect and preserve it for future generations. *Big Bend Country of Texas*, **The Romance of Davis Mountains and Big Bend Country** Carlisle Graham Raht, 1919 **An illustrated history of the Big Bend country** R.F.
