

Communicating With The Elderly

Mildred O. Hogstel

Communicating With The Elderly:

Communicating with the Elderly Vicki S. Freimuth,1979 How to Say It® to Seniors David Solie,2004-09-07 A practical guide to bridging the generation gap In *How to Say It to Seniors* geriatric psychology expert David Solie offers help in removing the typical communication blocks many experience with the elderly By sharing his insights into the later stages of life Solie helps in understanding the unique perspective of seniors and provides the tools to relate to them

Communicating with the Elderly Barbara J. Cox,Lois Waller,1987-01-01 *Person-Centered Communication with Older Adults* Timothy A. Storlie,2015-06-01 Providers serving older adults face a growing problem Older adults are becoming increasingly dissatisfied with service quality citing deficits in provider communication and relationship skills The author argues this dissatisfaction is largely related to three widespread issues ageism use of professional jargon and age related changes in the older adult To address these concerns Dr Storlie advocates adoption of an evidence based person centered approach to communication The benefits of person centered communication are many They can increase older adult satisfaction with provider services enhance mutual respect and understanding improve accuracy of information exchanged positively impact service outcomes increase compliance with provider recommendations and reduce the frustration and stress often experienced by both provider and older adult Rare to this genre readers are introduced to several under explored topics within the field of communication along with methods for applying concepts from research findings into these topics to enhance the quality of interpersonal communication Topics include the role of mental imagery in the communication process the influence of neurocardiology on relationships and controversial findings from research into quantum physics The book concludes by highlighting progress made in narrowing the interpersonal communication gap and forecasts how communications oriented technological advances might improve quality of life for 21st century older adults and the providers who serve them Utilizing interdisciplinary case studies to illustrate common problematic situations this book provides detailed exercises that explain how providers can integrate person centered communication into their practices to improve provider older adult interactions Written in a style designed to maximize learning it helps providers find the information they need understand what they read and apply what they ve learned to improve professional communication *Person Centered Communication with Older Adults* is an essential guide for today s healthcare professionals and other aging services providers and also for the educators who help to prepare the providers of tomorrow Presents a conceptual framework for understanding respect based person centered communication Teaches specific communication skills to aging services providers and educators to assist in effectively communicating with older adults Includes numerous case studies to help in identifying common problematic situations and describing practical ways to integrate positive communication One of the first books to integrate scientific evidence based findings with a personal approach that includes important new information on neurocardiology **Communication, Health, and the Elderly** Howard Giles,Nikolas Coupland,John M. Wiemann,1990

Communicating with Seniors Canada. Health Canada,1999 This publication aims to share what has been learned over the past decade through research practical experience about communication with seniors The first section examines what is known about Canadian seniors and how their characteristics might influence communication choices The second section compares communication media both new and traditional to assess their suitability for communication with seniors The third section applies what is known about senior audiences communication and offers tips on the content design of messages intended for seniors The final section is a resource list bibliography of sources of further information about communicating effectively especially with older persons
